Will Take Bids Sept. 2 On I-80 Construction

Contracts for work on FAI-80 in the New Lenox area are scheduled to be let next month. The Illinois highway department is to take bids at Springfield Sept. 2 on \$40-million worth of work, of which almost \$23-million is for interstate highway construction.

The area jobs on which bids will be received include a grade separation over Lincoln highway, Hickory creek and the Rock Island tracks and the carrying of the Michigan Central railroad tracks in that vicinity over FAI-80.

The crossing over the Rock Island tracks and Hickory creek and a connection with U.S. 30 will cost about \$800,000, according to dispatches from Springfield. The estimate on carrying the Michigan Central tracks over I-80 is given as \$207,000. It was pointed out several years ago when the I-80 project was under discussion that it would be cheaper to carry ordinary highways such as U.S. 45, U.S. 30 and smaller roads over I-80 than to elevate interstate highway with its two traffic lanes on either side of a median strip at least two lanes wide, plus shoulders. And anyway, it was explained the interstate highways are for thru travel and fast travel and a lot of dips and grades would defeat that purpose. Anyone who has traveled interstate routes will note that a lot of money has been spent in eliminating or reducing grades.

A representative of the state highway department in the right-of-way office at Joliet last week stated there had been no change in plans for a grade separation on Lincoln highway for an interchange. It is to be

located somewhere in the vicinity of Providence high school but will be a half cloverleaf.

The plans call for U.S. 45 to cross I-80 near the WLS transmitter on 183rd st. but a full cloverleaf is indicated there.

When bids are taken at Springfield Sept. 2 on I-80 work in New Lenox township it will be the first action in the area. Governor Kerner was quoted a couple of weeks ago as saying that it was expected FAI-80 would be completed between Joliet and Ha-

zel Crest by the end of 1966. If this schedule is followed, it was pointed out, a lot more contracts will have to be let this year right-of-way obtained.

Building 29 miles of super highway with all the interchanges, bridges and service roads, not to speak of the multitude of road signs, is a tremendous task and will consume considerable time, it was pointed out, and as yet there has been no request for bids on grading, or for the other grade separations.

Japanese Girl Coming To L-W Arrives Friday

Lincoln-Way high school's foreign exchange student this year will be from Japan, the first time that a student from the Far East will have attended the institution.

The student is a 17-year-old girl, Hisako Iwamura, daughter of Mr. and Mrs. Saichi Iwamura, of Gifu-ken.

Hisako is being brought to America by the Lions Clubs International with the Lions of Lincoln-Way acting locally. During her stay she will live with the Dr. Petnuch family at Mokena. Dr. Petnuch's dental office is at Frankfort.

She comes from a family of five two brothers and her parents but will discover that she is in a larger family now. Besides the doctor and his wife there are five other Petnuchs, Pamela, 17, a senior at Lincoln-Way this year who will be Hisako's "sister"; Mark, 13, Caludia, 9, Jeffrey, 7 and Eloise, 6.

Hisako arrives at O'Hare field at 3:09 tomorrow (Friday) afternoon, providing the American Airlines plane in which she is a passenger arrives on time.

She will be met by the seven Petnuchs and a Japanese youth who has been attending school at Park Forest. Mrs. Petnuch explained that she thought that the sight of a Japanese face and the sound of her home tongue might be welcomed by Hisako.

Hisako does know someone in Mokena, Margie Olsen, who has been spending the summer in Japan and was a guest in Iwamura household several days, but Margie is due back until Sunday, when she too is scheduled to land at O'Hare.

The Petnuchs have been corresponding with Hisako and members of her family for several months they will not be strangers to her nor she to them.

County Fair At Peotone Will Open Next Thursday

Exhibits at the 61st Will County Fair, like all other fairs, are always the big attraction. For some, the most interesting part is the keen competition for prizes

in all departments. The fair will be held this year at Peotone Aug. 27-30.

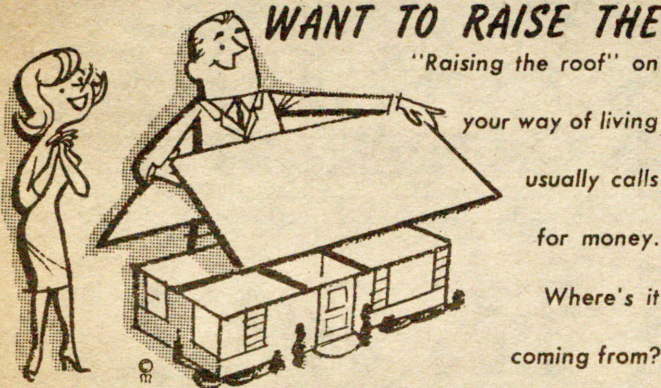

Two fine programs are scheduled for the opening day --the tractor pulling contest at 12:30 in the afternoon and the horse show which is scheduled for 7:30 p.m.

There will be five divisions in the tractor contest for which \$750.00 is being offered in prize money. The contest is open to all privately owned rubber-tired tractors. Four wheel drives are not permitted. Prizes range from \$50 for first place to \$5 for seventh. The five classes are Light, Medium Light, Medium Heavy, Heavy and Extra Heavy. Entry fee is \$5.00 and entries close at 11 a.m. that day.

Entries for the evening's horse show close one hour before show time. Wayne Ruder is in charge of the show and reports that \$1,080 will be offered in prize money. The following classes are included in the show:

Men's Western Pleasure (no ponies); Ladies Fine Harness Pony (Pony 46 inches or under, hitched to

buggy); English Pleasure (open) No set tails; Carry the Mail; Ladies Roadster Pony to Bike Pony 46 inches or under; Barrel Race and Ladies Western Pleasure, (no ponies).

When you save in advance for the important things you want, it takes much less money than when you buy "on time." GETTING interest (on your savings) instead of PAYING it (in "carrying charges") makes the difference!

When you save-as-you-earn and pay-as-you-go, your money buys a lot MORE of the good things of life! Open a savings account here now, where your money earns MORE money for you at the rate of 4% on Time Income Accounts.

Green Garden Girl Dies In Auto Crash

A Green Garden girl, formerly of Mokena, was killed and another injured late Saturday afternoon when the pick-up truck in which they were riding overturned on a gravel road about four miles north of Peotone.

Dead is Laurell Lauffer, 16, daughter of Mr. and Mrs. Wilbur Lauffer. Injured is Carol Sippel, 16, daughter of Mr. and Mrs. Raymond Sippel, Green Garden.

The two girls had taken Mrs. Lauffer (June) to St. John's United Church of Christ, North Peotone, where she is the organist, that she might practice. They left then to visit a girl, intending to pick Mrs. Lauffer up about 5:30.

Laurell was driving. Later Carol Sippel said that suddenly the truck left the road, went out of control and rolled over. Both girls were under the wreckage but Carol was not held fast and was able to crawl out. She endeavored to aid Laurell but seeing her efforts were futile she began shouting. Her screams were heard at a nearby house and help came. The two girls were taken to

Silver Cross hospital, Joliet, where Laurell was pronounced dead on arrival. Her neck was broken and it was believed she was killed instantly. Carol was treated for head and leg injuries and after about three hours was released from the hospital.

The accident occurred on Bruns road, about three and a half miles north and half a mile east of Illinois 42-A, according to Deputy H. A. Youpel of the Will county sheriff's office.

Besides her parents, Laurell is survived by a brother, Ralph; her grandfather, Louis Lauffer, of Mokena, her maternal grandparents, Mr. and Mrs. Emil Groth, of Frankfort, and numerous aunts, uncles and cousins. She would have been a junior at Peotone high school this year.

Removal was to the Fedde-Helfrick Chapel at Peotone. Funeral services were held Tuesday afternoon at 2 o'clock at St. John's church, North Peotone, with the Rev. Eugene Walther officiating. Interment was in Skyline Memorial Park cemetery, Monee.

PLACES IN TOP TEN of the Little Miss Illinois contest for the Miss Universe pageant. Bonnie Lynn, wearing No. 13, the daughter of Mr. and Mrs. Albert Behnke, 19531 S. Beechnut drive, Arbury Hills, was one of 62 junior contestants who appeared before the judges at the Shearson O'Hare, Chicago. While she didn't win, placing in the finals is quite a feat. Bonnie is five and a half years old and will enter first grade at Arbury Hills school Aug. 31. (Shutter - Nover photo)

Willing Workers 4-H'ers Win Soil Judging Contest

The high scoring team which was judged the winner at the annual Land Use selection contest sponsored by the Will-South Cook Soil and Water Conservation District, went to the Willing Wilton Workers 4-H club. The contest was held Tuesday, Aug. 11 on the Arthur C. Anderson farm in Green Garden township.

The team, composed of Bill Barr, Bernard Heisner **Thelma Blank, Mokena, Dies; Rites Aug. 15**

Mrs. Thelma E. Blank, 47, of 9424 N. Elm st., Mokena, died Wednesday, Aug. 12 at the Hinsdale sanitarium.

Survived by her husband Frank, one daughter Karen of Mokena, two sons, David of Crete and William, of Mokena; her parents, Mr. and Mrs. Aura Roll of Crown Point, Ind.; one brother James Roll of Crown Point; four sisters, Mrs. Clayton (Norma) Caginder and Mrs. Vernon (Jane) Steuer of Lowell, Ind., Mrs. Robert (Joy) McClees of Washington, D.C. and Mrs. Lloyd (Dolores) Chandler of Crown Point, Ind. and three grandchildren.

Mrs. Blank was born in Berryville, Ark. Jan. 29, 1917. She lived in the Mokena and LaGrange area since 1947.

Her husband works at the Fisher Body Co., Willow Springs, Ill.

Removal was to the Baskevill Chapel, New Lenox, where services were held Saturday, Aug. 15 at St. John's United Church of Christ, Mokena. Rev. T. C. Wimmeler officiated. Interment was in Skyline Memorial Park, Monee.

and Edward Mundt, was presented a plaque by John Lubky, field representative of the Fox Valley Production Credit Association.

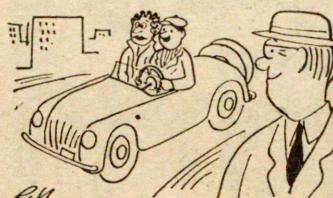

With some 70 youths in attendance, representing six FFA chapters and eight 4-H clubs in the Will-South Cook counties, 42 ribbons were awarded to the three high scoring individuals of each team participating. Earl Siemsen, chairman of the district contest committee, presented the ribbons to the youths.

High school Future Farmers of America chapters participating in the contest included: Beecher, Joliet Township; Lincoln way Community; Lockport Township; Minooka and Peotone Community.

Eight 4-H clubs vying for honors in the contest were: Barbers Corner; Green Garden Go-Getters; Homer Fireflies; New Lenox Hayshakers; Prairie; Reed-Custer Ramblers; Wide Country and Willing Wilton Workers.

Preceding the contest William Stelter, secretary of the conservation district, provided a back hoe for digging test holes used in the contest judging.

Soil Conservation service technicians selected the location for the contest and provided the master score card for each of the five sites judged.

"Sports cars have one advantage—there is no room in them for argument."

Teenager Saves Smaller Boy From Gasoline Fire

Billy Stewart, 8, who lives near Tinley Gardens, east of Mokena, is in Ingalls Memorial hospital, Harvey, suffering from third degree burns of the lower portion of his body.

But for the prompt action of William Malinow, 17, Tinley Gardens, the burns probably would have been fatal. The teenager ran after the running boy, threw him on the ground and rolled him until the flames were extinguished.

The incident took place about 1:30 o'clock Wednesday afternoon (Aug. 12). There were five youngsters present and there was a can containing gasoline. Louis 8, a brother of William, allegedly ignited the can of gasoline and when it blazed up became panicky and kicked it away. The can rolled against Billy Stewart, setting his clothing on fire.

The boy started to run but was quickly overtaken by the older Malinow boy and the blaze in his clothing was extinguished.

He was rushed to the hospital. His legs are severely burned, it was reported, but the flames did not reach the upper part of his body.

Two girls in the neighborhood, Louise Catherine Yahn, 13, and her 10-year-old sister, Nancy Carol, of 9221 Ethyl Lane, were busy the past several days taking up a collection in Tinley Gardens and Arbury Hills and on Tuesday afternoon of this week they went to the hospital to see Billy and left the sum collected, \$50.25, with the hospital to apply on Billy's care.

Billy's mother is Mrs. Thomas Kelly.

Lincoln-Way High Will Open For Frosh Aug. 31

L-W will open its doors to all freshmen students Monday morning, Aug. 31, and for all students the following morning, Sept. 1. Each of these first two days only half day schedules will be used with the school being dismissed at 11:48 a.m. The first full day of school will be conducted on Sept. 2.

The regular bus schedules will be followed as used last year and on Step-Up Day last spring. Necessary time schedules will then be adjusted during the first week according to te student requirements.

All student fees for books and necessary equipment will be collected by the teachers on Tuesday and Wednesday in the students' homerooms.

Registrations and student schedules have already been completed and will be available for the students upon their initial arrival during the first meeting with their assigned faculty counselor. Any late registrants should contact the school immediately for proper enrollment and scheduling.

Regular lunches will be served in the cafeteria and snack bar beginning with the first full day of school on Wednesday, Sept. 2. All public schools within the L-W area will operate this year on a calendar almost identical and using the county school calendar as a guide. The school will be closed on Labor Day.

SCHOLARSHIP WINNER - Ronald E. Meleney, 209 East Illinois Hwy., New Lenox, uses a driving simulator at Northern Illinois university after receiving a scholarship check from Humble Safety Foundation. Looking on are two representatives of Humble Oil, Allan A. McDonald, left, safety engineer, and William R. Brooks, Meleney, who will teach driver education this fall at Lincoln-Way high school, was one of nine scholarship winners who studied driver education teaching techniques at NIU's department of industry and technology this summer. (Northern photo)

Zoning Board To Hear Three Cases Sept. 9

When the Mokena zoning board met Aug. 10 it lacked a quorum so the two petitions scheduled for hearing that date will be heard now on Sept. 9, it was announced thru Hans Mueller, secretary.

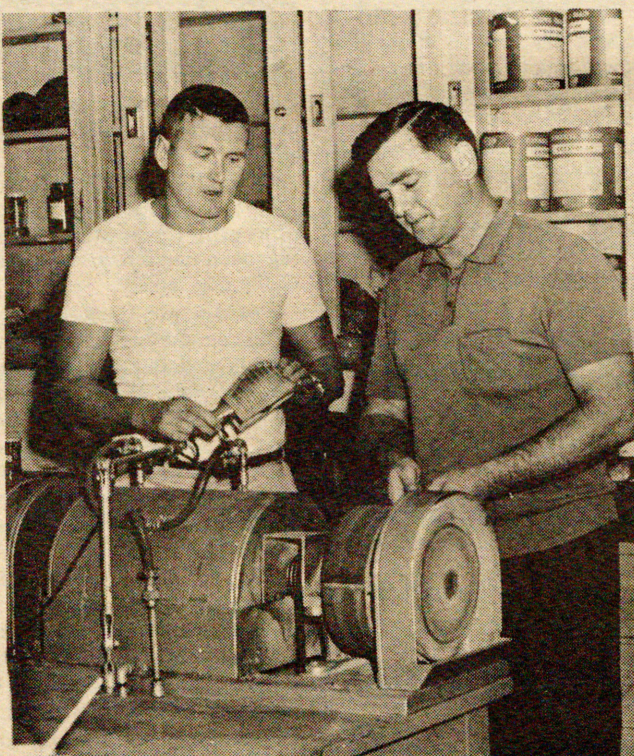

One of these petitions is that of Joseph Bottema who is asking for a change from R-2 to R-3 for the former Charles Geuther residence, Carpenter st. and School House road. He wants to remodel the structure into a two-family dwelling.

The other petition was that of the Grey Real Estate Co. asking for a change from R-1 to B-1 classification. Because the property recently was annexed into the village

it lost its B-1 rating and reverted to R-1.

At the September meeting the board also will hear the petition of Olsen, owner of the building housing the Doris Fabric shop. This property too had been classified for business but on recent annexation to the village reverted to R-1 classification Olsen wants it rezoned to B-1.

The hearings are public and will be held in the village hall at 8 p.m. Sept. 9.

INSTITUTE PARTICIPANT — Gordon F. Richards (right) of 18900 Leilla Dr., Mokena, was one of the 40 secondary school teachers completing an eight-week Summer Institute in Earth Sciences at Michigan Technological university, Houghton, last week. The Institute, supported by a \$51,000 grant from the National Science Foundation, attracted high school and junior high school teachers of general and earth sciences from all parts of the nation. It was directed by Dr. D. O. Wyble, professor of physics at Michigan Tech, who has conducted such an institute four of the past five summers. In the picture with Richards is Robert Purcell of Ottawa, Ill. (MTU photo)

EDITORIAL PAGE

Chips Are Down

As just about everyone must know, the standard public opinion polls all give President Johnson a wide edge over Senator Goldwater. Some have placed the Johnson lead in popular vote at the almost unbelievable figure of seven to three. And most of the commentators have pretty well written off the Goldwater chances and assume a Johnson election.

These are facts of moment to the Republicans who are concerned not only with electing a President, but in holding and, if possible, increasing their strength in Congress, in the state capitals, and in lesser political divisions. But they certainly have not caused any noticeable despair within the ranks of the Goldwater followers. For, the Goldwater strategists clearly believe, the polls have shown a capacity for major error in forecasting primaries and other political contests. In their view, the situation of today will not be the situation in November after Goldwater has had a chance to stump the country and present his programs harder and in more specific detail than has been the case until now. Most important of all, they believe that there are millions of voters in this country who have not had a candidate representative of their views and wants and that these voters, whose strength is far greater than any poll indicates, will enthusiastically turn out for Goldwater and bring him, and the party generally, victory.

U. S. News & World Report has done an excellent job in summing up Goldwater strategy and in pointing to historical precedents that deny the idea that any candidate is at all likely to garner in 70 per cent or so of the vote. In all the elections since the Civil War, in fact, only two Presidents have received as much as

60 per cent of that vote--Harding, in 1920, with 60.4 per cent, and Roosevelt, in 1936, with 60.8 per cent. Two Presidents--Truman and Kennedy--gained office with a trifle less than half of the popular vote in elections in which minor party candidates received some popular support.

What, then, is the Republican strategy, on a state-by-state, region-by-region basis? U.S. News describes it this way. Heavy inroads are to be made in the deep South, and 74 electoral votes gained there. Then 30 will come from the Rocky Mountain states, 106 from the Middle West, and 24 from the Border and New England states. That, should it happen, would bring the GOP to within 36 electoral votes of the 270 needed to win. California, with 40 votes, thus becomes the key. And in California, Senator Goldwater has shown great strength and has a potent organization as his primary victory over Governor Rockefeller demonstrated. Every effort will be made to cement and to increase these vital assets.

That seems to be the basic strategy. Mr. Johnson and the Democrats, obviously, will have something to say about it. And, as of now, Senator Goldwater needs to gain much ground in some of those states and areas if the plan is to become the reality. There are some very big unpredictable elements involved--as, for instance, what ultimate effect the civil rights law, and the ominous racial conflicts which show no signs of abating in either North or South, will have on either of the top candidates and on the candidates for other partisan office.

A safe prediction: It will be one of the hardest-hitting, no-holds-barred campaigns of recent times.

BUSINESS & FINANCE

BY MAURICE P. ANGLAND

Many investors planning retirement, seek investment returns that will contribute materially to income required for desired living standards and yet with minimum reduction of capital funds.

Investment in fixed return situations such as mortgages, bonds, preferred stock, etc., of a grade desired for estate purposes, normally carry an income return of about four per cent.

However, well selected common stock of better grade, can be found with dividend yield of around four percent, but this dividend pay out is often only about 50 per cent of the actual net income of the particular firm.

It is reinvestment of retained earnings which is considered as an important factor in the growth rate of these firms.

As an example, electric utilities in many desirable areas, plan on a growth rate which will double the plant account in from eight to ten years. Retained earnings with compound returns on reinvested capital give the investor two aspects of investment return, 1) current dividend return, and 2) growth of invested value in

particular investment.

Mutual Funds have made it possible for investors in their best earning years, to have all earnings reinvested to secure capital growth rather than current income. This method of investing has proven very profitable in good business periods.

As would be expected, Mutual Fund management has investigated areas in which they feel they could be of service.

An attractive field seemed to be among those investors planning retirement. The investor could convert a portion of holdings into a selected Mutual Fund wherein the investor would receive a monthly check in sum of about 6 per cent of invested capital and have this sum deducted from dividend income and capital gain accrual.

Until about July first of this year, most of the Mutual Funds would not agree to a monthly pay out greater than 6 per cent of original investment. Prior to that date, the SEC also would not permit sales literature which would point up fact that for the last ten or fifteen years, the pay outs could have been greater than 6 per cent and with continued growth in the original capital investment.

Mutual Fund managements explain this growth by referring to a study of "Common Stocks as Long Term Investments", published in 1924 by Edgar Lawrence Smith, a well known investment analyst who had been on teaching staff of Massachusetts Institute of Technology. He evolved a law which he called: law of increasing stock values and income return. This was:

1) Over a period of years, the principal value of well diversified holdings of common stocks of representative corporations in essential industries, tends to increase in accordance with the operation of compound interest.

2) Such stock holdings may be relied on, over a term of years, to pay an average income return on such increasing values, of something more than the average current rate on commercial paper.

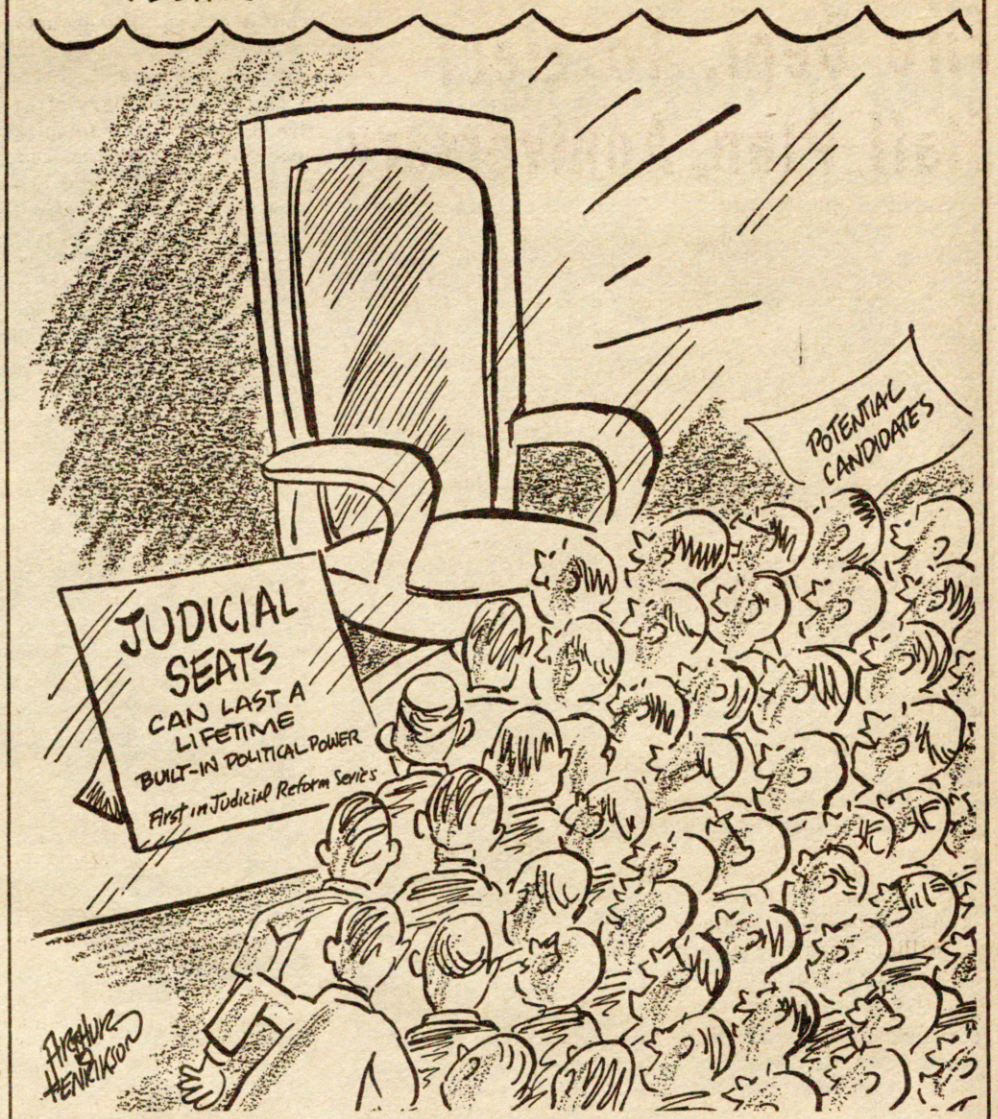

These studies have had large influence in the shift from fixed return investments to common stock, by large institutional investors.

This Level Pay Out Plan of many of the Mutual Funds gives evidence of considerable investor interest.

"Two great talkers will never travel too far together."

By Glenn Logan

THE BLACK PANTHER stories appear to be just about finished for the season and probably will not bob up again in the public prints or fancy for another year--perhaps longer.

These things come and go--the stories we mean. It is possible that such tales are a throwback to the times when storytellers kept the public filled in with tales of what had happened as well as what was happening. What was to happen was usually left to the wizards, witches and the like. Animal stories have always been popular and a part of the folklore of all countries.

Once upon a time people believed in fire-breathing dragons, and unicorns, and werewolves, and weretigers. There are a lot of people that still believe in them--and see them too.

SO WHY not a black panther on the prowl? Don't ask me why it is always a black panther. I am not a panther man but would suppose the beasts come in different shades of brown as well as black. Maybe the Department of Agriculture or the Department of the Interior or some other set of bureaucrats at Washington has decreed that only black panthers be licensed to prowl cities and villages. It is possible too that under its news management program the government has issued a directive that in any stories about prowling animals black panthers be given first call. Maybe black panthers are a specific breed. I don't know and am too lazy to do any research on the subject.

Old Harry, who occupies

a nearby desk, says that down in Florida black panthers are not uncommon and he describes them as being about the size of an Irish setter.

THERE USED TO BE a black panther on display in the Lincoln park zoo. I believe he was from India and to the best of my recollection was quite a cageful. Those Florida cats may approximate the Irish setter in size but this specimen at Lincoln park had a much longer wheelbase than any dog in the setter division and was simply loaded with power.

It should be my misfortune to encounter such an animal and he is out of a cage I only hope that I am in one or in a fast car with a clear road and a headstart.

In the past dozen years or so there have been several panther sightings reported in the public prints. Then seem to break out all of a sudden. Here we are going along in routine fashion, subject to the normal hazards of modern civilizations--shootings, bombings, knifings, auto crashes, muggings, robbery and other violent action.

THEN WHAM! A panther pops up--and a black one too. Maybe all panthers look black at night. Unless there is some rule you would think that percentage should flush a tan or beige colored panther and then, or even a white one.

Equally mysterious is why one can go along for years without being bothered by any of the large fauna and then suddenly black panthers are everywhere. One reads of citizens in South Bend having panther trouble and at the same time there is a panther outbreak at Broken Bow, Okla., Erie Pa., Bad Ax, S. D., Birmingham, Ala., Bedford, Mass., Albany, N.Y.

At the same time the radio and press wire services are getting panther reports from various points in Illinois, Michigan, Wisconsin, Indiana, Missouri and Kansas.

No one ever catches these cats but then who would want to. Anyone who gets a panther by the tail is going to find that life can be exciting.

But it would seem that out of the scores of panthers running around in all those places at the same time someone would bag one or at least come up with a set of footprints that could be definitely and finally identified as having been made by a big cat.

INVARIABLY, HOWEVER, the experts proceed to identify the prints as having been made by a member of the dog family.

Perhaps the thing to do is call in another set of experts.

It is possible, of course, that the panthers who make these tracks are a throwback to the animals of antiquity that were able to assume different forms so when they run they make tracks like a dog.

Anyway, whatever kind of an animal Big Foot may be, the police in a region where it leaves prints have a lot of extra work to do in attempting to run him down. The lawmen are dispatched to fields and woods to deal with the beast and it is no easy task--negotiating timber in the dark. One can tear his clothing, his hide, step in a hole or sprawl over a root; and if it is raining...

The best thing to do under the circumstances is to civvy the animal into an adjoining county or police district so someone else has to carry the ball.

Mokena

Fire Dept. To Elect Staff Plan, Anniversary

Telephone: 479-3521

At the recent community volunteer fire department board meeting, president Stanley Williams appointed Eric Book, chairman, Martin Medema and Ray Bernard as members of the nominating committee to submit a slate of officers for president, board of director, chief and assistant chief to serve for the coming year.

Special plans are being formulated for the observance of the 1967 Fire Prevention Week which will coincide with the 50th anniversary of the local fire department.

The Community Fireman's Association will hold its Resuscitator school, Sept. 16, 23 and 30 with Fire Chief Robert Rust, Assistant Chief Frederick Rauch, Captain Kenneth Warning and Chief Engineer William Haas attending.

During the business meeting various committee reports were given with Roy Koerner, insurance committee, reporting that they are nearing the selection of one insurance company giving the best coverage for the firemen. Fire Prevention committee chairman Kenneth Warning stated the group will soon have the investigation completed on eliminating fire hazards in various business establishments, schools, churches and individual homes in the area.

Members of the local department entered in the water ball tournament at Elwood, reported William Haas, with Braceville first, Gardner second and South Wilmington third.

Kenneth Bochman, picnic chairman, stated the fireman's annual picnic for members and their families was a huge success.

The following fire calls were answered by the department during the past month: three rubbish and grass fires; car accident;

rey. His aunts, Arlene and Carol Lauffer were home from Western Illinois university summer school to help Jeff celebrate.

The ladies auxiliary of the fire department for forming waterball fight teams. One practice has been held and information as to waterball fights with other fire department auxiliary's is being obtained.

Harriett Newton and Donna Bueschel supplied games and prizes for the very successful firemen's picnic.

The auxiliary will enter a decorated car in the Sauk Village parade which will be held Aug. 23.

The Mokena Methodist church will hold a retreat Aug. 23 at the YMCA camp grounds on the Will - Cook road northwest of Mokena. Outdoor worship at 11 a.m. followed by a potluck dinner at noon. Each family is to bring their own table service and a dish to pass.

Various commissions in the church will report and review the program for the coming year. A question and answer period will follow.

At 3:15 p.m. John Bonie, chairman of the board of the Wesleyan Methodist church, Aurora, will speak on "The role of the layman in the local church."

A recreation period will follow and a wiener roast at 5:30 p.m.

Rev. Robert Watson is in charge of the evening program to be held around a campfire.

The congregation is invited to attend.

All former members of the public grade school band have been invited to assist the present band in playing for the open house dedication of the new addition to Willow Crest school Aug. 30 at 2 p.m.

All alumni interested in assisting may contact Mrs. Frank Dixon, 479-5469. A special rehearsal will be held Aug. 29 at 10:30 a.m. in the school.

assisting sheriff office in finding lost child; assisting Frankfort fire department and a false alarm - red sunset mistaken for a fire.

A special school official meeting called by County Superintendent Vern Cracker on the school building codes was attended by approximately 200 men, including Chief Rust.

The Women's Guild of St. John's United Church of Christ will hold their meeting Thursday, Aug. 20 with dessert and coffee at 1:30 p.m. The meeting will begin at 2 p.m.

Mrs. Clarence Lauffer has the devotions, the subject being "Stewardship and social action."

Those serving are: Mrs. Theodore Wimmer, Mrs. Clarence Lauffer, Mrs. Stanley Yunker, Mrs. Edna Young, Mrs. Ethel Coburn and Mrs. Fred Steinhagen.

A card party sponsored by the ladies auxiliary VFW 725 will be held Aug. 22 at 8 p.m. at the VFW hall. The public is invited. Hostesses are: Mrs. Harold Seal, Mrs. Glen Petersen and Miss Joyce Seal.

Miss Carol McKee of Peoria, Ill. was the houseguest of Miss Mary Lou Gertenrich last week. They were roommates last year at Northern university. The two girls motored to Chadwick, Ill. to visit another Northern student, Miss Darla Schriener, last weekend.

Mr. and Mrs. William Haas had guests Monday evening to celebrate the 6th birthday of their son, Jeff-

Lincolnwood

Sheila Langerman Honored At Shower

MRS. DELORES ANDERSON Telephone: 485-3651

The Misses Sandra Kooyenga, of Lincolnwood, and Martha Stanfill of Manhattan entertained at a miscellaneous and personal shower Sunday afternoon, Aug. 9 in the Kooyenga home on East Circle Drive, honoring Miss Sheila Langerman of New Lenox, who will marry Thomas Fretty of Joliet on Aug. 22.

The colors, lavender, blue and green were carried out in the decorations thruout the home.

Refreshments were served buffet style from a beautifully decorated table centered with a decorated shower cake, and a blue parasol covered with flowers.

The honored guest received many nice gifts, and those attending the party were, The misses, Marion Platt, Sue Major, Gloria

Heisner, Martha Stanfill, Janice Ardaugh, Karyl Gregg, and Cheryl Seltzer of Manhattan; Toni Koster, Carol White, Betty Dowle, Sandy Kooyenga, Patricia Burns, Mrs. Keith Langerman and Mrs. Peter Kooyenga of New

Lenox; Susan Lauffer and Nancy Porick of Mokena; and Sharon Smithberg of Joliet.

**** Mrs. Al Kalmer returned home Wednesday from Silver Cross hospital where she was a surgical patient.

Klein-McBurney Nuptial Vows Spoken At Double-Ring Rites

Church bells pealed at 11 o'clock Saturday, Aug. 1 for the marriage of Miss Audrey Ellen Klein to Terence Robert McBurney.

Father Ricker performed the double ring ceremony in Sacred Heart Catholic church, Festus, Mo., which united the daughter of Mr. and Mrs. Howard J. Klein, Festus, Mo., and the son of Mr. and Mrs. Charles E. McBurney, Jr. of Palos Heights, Ill.

Organist was Mrs. Roy Roth.

Escorted by her father to an altar enhanced by main altar bouquets of pink tea roses and smilax and a small bouquet placed on the altar of the Blessed Virgin, the bride wore a gown of silk linen with a rounded neckline and glove length sleeves etched with Venice lace. The bell-shaped floor length skirt was banded by rows of Venice lace and was accented by a detachable chapel train bordered by lace and held by a self bow. Her nylon illusion fingertip veil was held by a cabbage rose of silk linen. The bride carried a bouquet of white roses and lily of the valley, highlighted by dark green smilax.

Mrs. Carl Hopkins attended as matron of honor. She wore a dress of pink acetate peau with rounded neckline, glove length sleeves, bell-

shaped street length skirt elegantly detailed with a looped obit bow. Her small veil was held by a bow topped by a tiny rose. She carried a bouquet of pink tea roses and dark green smilax. Dressed identically with Mrs. Hopkins were the bridesmaids Mrs. Ralph McMullin and Miss Marilyn Klein.

C. Lawrence McBurney attended as best man, groomsmen were Rick Ricordati and Jerry Deasy and ushers were Carl Bonfiglio and Jerry Deasy.

A breakfast and reception immediately followed the ceremony at the Sacred Heart parish hall. There were three main dining tables, a wedding cake table decorated with candelabra, pink tea roses and smilax encircling a three-tiered, square wedding cake.

Mrs. Klein, mother of the bride, greeted guests wearing a pink embroidered linen sheath and white accessories except for her pink petal chiffon hat. The bride-

groom's mother, Mrs. McBurney, chose a turquoise silk shantung sheath and white accessories.

Mrs. David Almquist of Wichita, Kans. presided over the guest book and wedding cake assistant was Mrs. George Steiner, aunt of the bride.

The bride graduated from Festus high school and received her bachelor of science in education from Southwest Missouri state college.

Terence is a graduate of Carl Sandburg high school and received his A.B. in marketing and advertising from the University of Illinois. He will begin law school at the University of Michigan this fall.

For her going-away outfit the bride chose a white silk linen sheath with an empire waistline. She wore blue accessories and carried part of her bridal bouquet.

They are now residing at 817 Pauline blvd., Ann Arbor, Mich.

MR. AND MRS. JOHN C. BARKER and family of 15028 Holiday Ct. Orland Park, vacationed in California for one month, driving and sight seeing. While in Fresno, Calif., Mrs. Barker's mother and father (Mr. and Mrs. M. J. Lebda) celebrated their 50th wedding anniversary with all the family together for the first time in over 15 years. Mrs. Barker's two sisters and their families, residing in Illinois, made the trip and her brother and his family, living in California, completed the family group.

Friends and family enjoyed a wonder buffet open house party.

Left to right: Mrs. Donald Hemming (Lebda), Mrs. John Barker (Lebda) Mr. and Mrs. M. J. Lebda, Mitch Lebda and Mrs. Frank Demith (Lebda).

Concert Ticket Sale Will Open Saturday

Joan Huntley, noted area violinist, will highlight a luncheon to kick-off the sale of tickets to the concert series that will be given this coming season by the South Suburban Symphony. The luncheon will be held at Mickelberry's in Park Forest, on Saturday, Aug. 22, at 1 p.m. All persons who want to help bring fine music to the south suburban area are invited to attend.

She will play Fritz Kreisler's "Concerto in C Major" in the style of Antonio Vivaldi.

Joan Huntley, a resident of Matteson, has appeared several times as soloist with the Park Forest Symphony. She has been a member of the symphony for about seven years. Joan has an extensive background which includes study with Paul Stassevitch

at Chicago Musical College, Louis Persinger in New York, and George Foulard and Ruth Posselt at the New England Conservatory. She also studies with Henri Temianka at the Aspen Institute in Colorado. She has played with the Tulsa Symphony; at Tanglewood under Charles Munch and Leonard Bernstein, and with orchestras in Springfield, Mass. and Portland, Maine. As a student at the University of Tulsa she conducted her own radio program. Locally, Mrs. Huntley was the original first violinist with the Tassan Quartet. She now gives private violin lessons in the area, and teaches a violin class of primary students at the Raygor day school at Matteson.

Joan Olinghouse will accompany Joan Huntley at the piano.

Krapf Family Annual Reunion Holds Its 24th

The 24th annual Krapf family reunion was held Aug. 9 at Inwood park, Joliet, with 90 members in attendance. A potluck dinner was served and afterwards there was a short business meeting.

Prizes were awarded to: Jake Krapf, Manhattan, oldest man present; Mrs. Charles Holman, Joliet, oldest woman; Karen, 10-month old daughter of Mr. and Mrs. Eugene Krapf, Morris, youngest baby; Mr. and Mrs. Eugene Krapf, wed seven years, newest married couple; Mr. and Mrs. John Krapf Grant Park, wed 53 years, oldest married couple; Ray Krapfs, of Zion, Ill., was the family that traveled the farthest to attend the reunion; the George Krapfs, of Morris, with five children had the largest family present.

There were games and prizes for the children in the afternoon.

The reunion will be held again next year at Inwood park, on the second Sunday in August.

Instructors To Exhibit Art Work At Center

The instructors of the art classes at the Community Center Foundation for the last twelve years will exhibit their work in the Main Lodge of the Foundation on Sunday, Aug. 23 from 1 until 4:30 p.m.

Mrs. David Hurwich of Palos Park teaches the ceramics classes. Mrs. Marvin Kutchinski of Palos Heights teaches the painting classes. Mrs. Oliver Nielsen of Palos Heights teaches the childrens' classes and Mrs. Howard Fish of Orland Park teaches the summer childrens' classes.

Each artist works in a number of mediums and will be well represented. The art classes have been an integral part of the program of the Foundation whose premises offer a setting for such an exhibit.

Cookies and punch will be served.

Women From St. Mary Guests Of Fur Company

Last Thursday evening a group of 36 members of the Altar and Rosary Society from St. Mary's Catholic church, boarded a bus for Chicago's loop. They were the invited guests of the Smith Fur Co. on Franklin street.

A preview of winter fashions consisting of fur pieces, fur coats and fur trimmed cloth coats were modeled by some of the women in the group.

This was the first outing for the society since the election of its new president, Mrs. Mary Roche of Arbury Hills. All who made the trip were delighted.

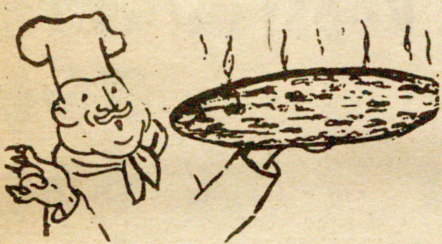

MR. AND MRS. PAUL POLJAK of 4813 Belmont road, Downers Grove, announce the engagement of their daughter Linda to Douglas L. Heisner, son of Mr. and Mrs. Lester Heisner of 145 Locust st., Frankfort.

Linda is a graduate of Downers Grove high school and attended the University of Illinois where she was a member of the Sigma Sigma Sigma sorority.

Douglas graduated from Lincoln-Way high school and is presently attending Joliet junior college.

No date has been set for the wedding.

Change to Gas—and save money!

Homeowners! Here's big news about big savings on your heating costs. Effective September 1, Northern Illinois Gas space heat customers will benefit from another rate reduction which will bring additional savings of \$2,960,000. It's the third major reduction in the last 14 months.

Check this quick PROOF-OF-SAVINGS chart.

	Typical Annual Heating Costs*	Savings with Gas
Gas	\$142	\$
Coal (hand-fired)	209	67
Oil	224	82
Electric (resistance)	471	329

*Fuel costs for heating a typical insulated home with basement as based on competitive fuel prices prevailing July 15, 1964, in Northern Illinois Gas territory adjacent to Chicago.

Dependable gas heat beats other types hands down for comfort and convenience, as well as low cost. Keeps you comfy, no matter how cold the weather, with set-it-forget-it thermostat control. Small wonder 99% of all new homes along Northern Illinois Gas mains are equipped with gas heat.

Make the change now—pay later.

Our Easy Pay Plan available through your contractor gives you up to five years to pay. No down payment, and payments as low as \$3 per month. Your savings with thrifty gas continue year after year, soon repay the moderate cost of conversion.

Act now! 10,000 Plaid Stamp bonus.

Convert to gas heat by October 31, 1964, and get 10,000 Plaid Stamps redeemable for valuable premiums. Your heating contractor can give you details. Call today!

Honor John Schilling At Birthday Party

MRS. KATHARINE HEISNER Telephone: 469-5187

John Schilling was the honored guest last Tuesday when relatives and friends called to celebrate his 70th birthday at the home of his daughter and family, Mr. and Mrs. Robert Simpson.

Arriving in the afternoon were his daughter and family, Mrs. Albert Sylvester and sons and Mrs. Leo Hlinko and son, all of Brunham.

Evening dinner guests were his wife, Mrs. Schilling, Mr. and Mrs. Arthur Schilling and family, Mr. and Mrs. James Bell and family, Mr. and Mrs. Ernest Mersch and Mr. and Mrs. Albert Mersch. Later, a social evening was enjoyed by all.

Mr. and Mrs. Don Stephen and family returned home Monday after visiting with his parents, Mr. and Mrs. Leo Stephen at Spring Valley, Minn.

The youth group of Good Shepherd Lutheran church sponsored the chartering of two buses Wednesday evening. The group went to see the Sox vs. Yankee game at Comiskey Park.

Mr. and Mrs. Myron Subert entertained at a family gathering in their home last Monday evening in honor of their son Scott, who was two years old. Guests were Mr. and Mrs. Milton Subert and Larry, Mrs. Clara Rauch, Mr. and Mrs. Frederick Uthe and family of Manhattan and Mr. and Mrs. Owen Bosard and daughters of Mokena. The guests were served ice cream and cake.

Last Wednesday Mr. and Mrs. Edgar Lund entertained guests at their home. Their luncheon guests were three sisters, Mrs. Wilfred Moak of Joliet, Mrs. Edward Wise of Detroit, Mich.

and Mrs. William Winkle of Dallas, Texas. In the evening the group dined out for dinner.

Mr. and Mrs. Guy De Zanet of Richmond, Ill. and Miss Debbie Goodman of Twin Lakes, Wis. were visitors in the Henry Flentje home on 93rd ave. last Monday evening.

Mr. Flentje returned home last Saturday from St. James hospital after being a surgical patient there.

Remember to place your calls with Mrs. Ervin Schellhase at 469-5425 by Tuesday, Aug. 25 as the Good Will truck will be here Thursday, Aug. 27.

The Frankfort - Mokena Homemakers Extension Unit members went to Deacon's Bench and the Village Court-yard at Palos Park Tuesday for an outing and a noon day luncheon.

Mr. and Mrs. Frank Folkers and son of Chicago were last weekend guests of his parents, Mr. and Mrs. Herbert Folkers Sr.

Mrs. Roger Corp and Miss Connie Corp, both of New Lenox, Miss Lorna Miller and Mrs. Katharine Heisner motored to Culver, Ind. last Wednesday, taking Miss Gwen Lane home after she had spent nearly a week as a houseguest of her grandmother, Mrs. Heisner. Gwen also visited other relatives and friends.

Miss Lane came here to attend the Baccalaurel and commencement exercises of the 1964 class of nurses at Silver Cross hospital. Her cousin, Miss Lorna Miller was one of the graduating nurses.

Mrs. Mabel Knuteson underwent surgery recently at St. James hospital.

Miss Florence Holstein, Mrs. Viola Sayers and Mr. and Mrs. Louis Fisher of Plainfield spent last weekend with an aunt, Mrs. Hulda Moor at Bowling Green, Ohio.

Mrs. Harry Miller, Miss Lorna Miller and Mrs. Roger Corp of New Lenox, spent 5 days in Dover, Delaware, sightseeing. They also visited Miss Miller's fiancée, Pvt. Bert Balat, who is stationed at Dover with the air force. They returned home by jet yesterday.

Weekend guests of Rev. and Mrs. James Parker were Mr. and Mrs. Alfred Kranz of Normal, Ill.

Mr. and Mrs. Arthur Mark attended the wedding of a friend in Detroit, Mich. over the weekend.

Mr. and Mrs. Henry Heusner Sr. spent the weekend with their son and family, Mr. and Mrs. Henry Heusner Jr. of Livonia, Mich. Their grandson Scott returned home with them.

Mr. and Mrs. Leo Haackinson and family spent a week vacationing in the north. They met their aunt and uncle, Mr. and Mrs. William Carr of Hornich, Iowa at Moose Lake. From there they all travelled to Port Arthur, Canada.

Paul Dath of Mokena and Bruce Ebert returned home last Friday after a weeks motor tour thru Wis., upper Mich. and Canada. They stopped at Cedar River, Mich. where the Lincoln-Way high school band was spending a week. While there, they attended the Lincoln-Way band concert at Escanaba. From there they viewed the Soo locks at Soo Saint Marie. They also stopped at the cabin of Fayette Shaw near Frankfort, Mich. and the Sleeping Bear dunes.

WORK IS PROGRESSING on the addition to St. Mary parochial school at Mokena. The walls are rising, with concrete block for the inner surface and brick for the exterior. Robert Regan Construction Co., is the contractor. The addition will consist of eight classrooms, an all-purpose room, a teachers' lounge and an office, besides the lobby

that will connect the wing with the present school. The addition is at the rear and on the east end of the present school, with the lobby projecting from the east end of the existing building and will parallel the gymnasium and garage. The project will cost \$165,868, not including the architect's fee.
(Graphic Newspapers photo)

New Principal Takes Over St. Mary School

St. Mary parochial school of Mokena will have an enrollment of approximately 400 when it opens Sept. 8. There is to be a new principal at the school this year, Sister Cordelia, who formerly taught at St. Michael's school at Schererville, Ind.

She has been teaching for 22 years. Sister Cordelia replaces Sister Mercedes, who had been head of St. Mary for the past six years. She will now teach at Auburn, Ind. Sister Mary Louis, second grade teacher, and Sis-

ter Mary James, who teaches sixth grade, remain on the staff for the coming year as do two lay teachers, Mrs. Joseph Kruzich, third grade, and Mrs. Josephine Pusateri fifth grade.

The nuns who are new to the staff, coming here with Sister Mercedes, are Sister Eucharista, first grade; Sis-

ter Sharon Therese, fourth, and Sister Rose Angela, seventh.

A new addition to the school that will contain eight rooms, is progressing rapidly and it is expected that a portion of the building will be ready for occupancy by mid-year.

School Bus Drivers Meet Aug. 27 At L-W

The Will county school office is sponsoring a school bus drivers conference to be held Aug. 27, Thursday, at Lincoln-Way high school, at 7:30 p.m.

The preliminary plan of the program includes Gordon D. Wixom, director of transportation, office of the Superintendent of Public Instruction, speaking on the "Illinois Plan for Pupil Transportation", and Robert F. Vespa, assistant legal advisor, of the same office, discussing "Legal Requirements and Pitfalls of Pupil Transportation." Plans are also underway to

hear from representatives of the state police.

Arrangements have been made for the conference to close at 9:30 with refreshments being served at that time.

"Since the responsibility of the bus driver is so great, it is imperative that each of us become as well informed as possible," said County Supt. Verne E. Crackel.

The meeting is for all school bus drivers in Will county.

Arbury Hills

School To Open Aug. 31; Parents Can Pay Fees Now

MRS. EDWARD HOVI
Telephone: 479-5740

The 1964 school year will begin at 9:00 a.m. on Monday, August 31 for the children of the Summit Hill district's Arbury Hills School.

The children will only remain for about an hour on the first day. The main business will be class assignment registration and collection of book rental fees from those youngsters who have not paid previously.

Parents are urged to pay their fees at the school office starting August 17 to avoid the confusion of waiting to the first day of school. The school office is open from 9:00 to 4:00 each day of the two weeks immediately prior to the opening of school. Parents are also reminded to complete their child's physical and dental examination before school opens. This must be completed before a child can be allowed to attend school.

The Arbury Achievers, the local 4-H club, will be treated to an archery tour of the Tinley Park Archery Club on Route 30. The date scheduled for this event is next Wednesday, Aug. 26. The group will be led by Barry Diercouff, husband of the organizer of the group.

The Arbury Achievers were to have re-painted the house numbers on the curbs on Monday, Aug. 10. The date for this project was re-scheduled for Monday, Aug. 17, weather permitting.

The Arbury Hills Baby Sitters Cooperative will have their secretary's book change hands from Mrs. Keith Miller, who has acted as secretary for the previous four weeks, to Mrs. Richard Mansell, who will act as secretary for the coming four weeks.

The book will change hands on Wednesday, Aug. 26. After that date, any member needing a baby sitter should contact Mrs. Mansell at 479-5772 at least 24 hours in advance of the time needed. In addition, any mother in Arbury Hills who would be interested in joining the group, or who would want further information on the group should also contact Mrs. Mansell at the above number.

The Boys Baseball League will hold a car wash thruout Arbury Hills on Saturday, Sept. 12, morning and afternoon. The charge will be \$1

per car with the boys using each residents water, but providing the detergent and scrub bucket.

So that no one will have to "put himself out" the boys will go from door-to-door on that day the hours for this being approximately 9:00 a.m. until 5:00 p.m.

The proceeds will be added to the equipment fund of the baseball league towards next season's expenses. If anyone would not need a car wash, but would wish to donate to the cause, please feel free to do so. Any donation above the regular price of \$1 will be gratefully accepted.

All the boys in the baseball league are to be contacted prior to the date of the car wash, and all boys, if possible will be expected to cooperate.

The open meeting of the Arbury Hills Boys Baseball League was held at the school on Tuesday evening, Aug. 12. At that time it was announced that the net proceeds of the refreshment stand operated by the ladies auxiliary, at the playing field was almost \$250.

It was also disclosed that there were no claims against the insurance on the boys this year.

Several committees were formed. Mrs. Albert Behnke was named chairman of the parade committee for the second year, because of the remarkable job done last year on quite short notice. The parade is held each year on the opening day of the boys baseball season, which will be on May 23, 1965. At least she will have enough time this year.

There is also a dance committee chosen with Joe Areuri as chairman and Fran Crones as his co-chairman. The ladies auxiliary also has a chairman, Mrs. Carolyn Crones, and Mrs. William Roach is her co-chairman.

The date for the dance has been tentatively set for Feb. 20, a Saturday, at the VFW Hall in Mokena.

There will be a meeting of the board of directors prior to the next monthly meeting scheduled for the second Tuesday in September.

The registration for the baseball league for the 1965 season will be held on April 3. To be eligible for play next season, a boy must have reached the age of eight

by August 1, 1965, and have not reached the age of sixteen by the same date.

It was also decided that, since the farm team was so successful in training the beginning boys that it would be continued next year for the eight year olds.

A special thank you is given to all the men and women who worked long hours to make this second season

of the baseball league the success it was.

A few in particular who managed the five teams from Arbury Hills should be named; the Blue Rockets-Tom Blank, manager; Cobras-Jim Muiccio, manager; Red Bombers-Sam Lechiara, manager; Farm Team-Foster Tekotte, manager; and the Babe Ruth League-Jordan Marzane, manager.

These men along with their coaches have done immeasurable good for the young boys under their control. They have taught not only baseball, but also good sportsmanship, win-lose-or draw.

Mr. and Mrs. Barry Diercouff were visited last week by their nephew, Roy Hall, who came here from his home at Gilman, Ill. for a week's stay.

20 Nuns With 915 Years Of Service Have Jubilees

Twenty nuns, members of the order, Franciscan Sisters of the Sacred Heart whose mother house is on St. Francis rd., east of Mokena, with a combined total of 915 years of service dedicated to God and fellow-

men, celebrated their diamond, golden and silver jubilees at recent ceremonies at St. Mary church, Mokena, and with a luncheon and reception for friends at the

motherhouse.

There were four diamond jubilarians, 11 golden and five silver.

One of them, Sister M. Alwina, who was observing her golden jubilee, is a resident of the motherhouse at Mokena. She also is a sister of Sr. M. Maxelinda, St. Anthony hospital, Chicago, who is one of the four diamond jubilarians. The other three with 60 years

in the order are Sr. M. Lucretia, St. Charles hospital, Aurora; Sr. M. Columbana, St. Francis hospital, Santa Barbara, Calif., and Sr. M. Borgia, St. Joseph hospital San Francisco.

The sisters celebrating their golden jubilees, besides Sr. Alwina, are Sr. M. Tabitha, Freeport; Sr. M. Agnetis, Danville; Sr. M. Ladislaus, Garrett, Ind.; Sr. M. Juliana, Los Angeles; Sr. M. Prudentia, Freeport; Sr. M. Clementina, San Francisco; Sr. M. Reinilde, Mundelein; Sr. M. Constance, Schererville, Ind.; Sr. M. Virginia, Elgin, Sr. M. Winifred, Los Angeles.

Celebrating their silver jubilees are, Sr. M. Margaret, Peru, Ill.; Sr. M. Salvatora, Freeport; Sr. M. Mathilda, Joliet; Sr. M. Martha, Mundelein and Sr. M. Wendeline, Dyer, Ind.

These sisters are engaged in various fields, hospital administration, nursing, teaching, technology, business, sewing, dietetics, supervision and sacristan.

At the solemn high mass of Thanksgiving sung at St. Mary church the celebrant was the Rev. Alban Shwarz, delegate to Bishop Martin D. McNamara of Joliet. The Rev. Leo Ambre, pastor St. Mary church, Algonquin, Ill. was deacon and the Rev. Mr. Paul Faulstich, S.J., as sub-deacon. He is now attending Loyola U. and is assigned to India as a missionary and is to be ordained there next year. The Rev. Cecil Koop, O.F.M., pastor of the Mokena parish, was master of ceremonies.

Thanks Volunteers Aiding TB Program

A resolution paying tribute to the public spirited cooperation and hard work of volunteer aids in the recently completed community X-ray campaign was presented by Albert E. Kinson, president of the Will County Tuberculosis Association, this week to the almost 400 volunteers who assisted in the program.

The official number of free chest X-rays taken during the campaign was 11,803 Mr. Kinson reported.

The X-ray program was sponsored by the Will county health department, tuberculosis association, and the state health department and aided by 378 volunteer workers.

"The thanks of the whole community are due to these volunteers who generously gave their time and hard work to making an outstanding success of Will county's campaign to find the unknown cases of tuberculosis in this area. The chest X-ray program is one of the finest examples of public spirited cooperation this area has ever seen," the resolution stated.

Mr. Kinson said that there is still work to be done altho the program is officially over. "The X-ray survey was the first step in the search for unknown cases of TB. Every one of the small films taken which shows suspicious signs must be thoroly investigated. Since a diagnosis of tuberculosis is never made on evidence of a small film X-ray alone, unsatisfactory films mean additional X-rays, tests, and examinations.

"Where a definite diagnosis of tuberculosis is made, the patient may need help

in making arrangements for hospitalization, since a tuberculosis hospital is the best place for him to go for treatment. These are just a few of the things on which we must follow through if the X-ray program is to result in helping us stamp out tuberculosis in Will county."

Expect Tax Bills Out By Sept. 1

A machine broke down at the Will county courthouse this week, it was reported, and the fact is expected to delay the tax bills. It was said earlier that the bills would likely be out Aug. 22. On Tuesday it was reported that it probably would be nearer Sept. 1 when they would be delivered.

This means further delay in tax collections as the first payment of real estate taxes and payment of personal property taxes is free of penalty for 30 days.

The second installment on the real estate taxes will be due in a second 30 days, it was explained. The town collectors will get the first payment for the townships and the county treasurer will collect the second installment. As it stands now it is likely that it will be in October before the taxing bodies will start getting in tax money.

After the tax bills are out the board of review will begin hearing complaints.

New Alonzo Stagg High To Open Doors Sept. 8

Alonzo Stagg high, and Carl Sandburg high, the two high schools that now serve Dist. 230, will open for the 1964-65 term Sept. 8.

This will be the first year for Stagg, which but for some minor details, is now completed.

Dedication of the new school was tentatively set for Sept. 27 but it is possible that it will be in October. The final date will be determined by the availability of speakers.

When the tentative date for the dedication was published last month some people construed it to mean that Stagg would not open until that date. Ray Benz, administrative assistant at Sandburg last year, will be the principal at Stagg. He emphasized this week that Stagg high is to open on the same day as Sandburg, Sept. 8.

The new Stagg school, which was built at a cost of \$2-million, is located at 11th st. and Roberts road. All freshmen living north of Route 83 will attend Stagg high this year. It had been estimated that the initial enrollment would be 280 but this week Mr. Benz said that he expected the figure would reach 300 by Sept. 8.

The building has a capacity of 1,000 students but is so designed that more rooms can be added when necessary.

Next year the students who enter this fall will enroll there as sophomores, and the year following as juniors and will form the graduating class of 1968. Each year there will be a new freshman class, of course.

There will be 17 teachers on the Stagg faculty this year and Mr. Benz has des-

cribed the staff as "excellent."

The new school bears the name of the famous football coach, Alonzo Stagg, who after a long and successful career as mentor of the University of Chicago football teams retired about the time football was at that institution. Then at an age when most men would have

kept to an easy chair, Stagg moved on to the West Coast to coach football for many more years at the College of the Pacific.

When the board of education of Dist. 230 decided to build a new high school Supt. W. O. Fischer went to California to talk with Stagg and from "The Grand Old Man of Football" received permission to give the school his name.

Incidentally, Supt. Fisher will have his main office at the new school, beginning this fall.

Disability Benefits Are A Boon To Many

The year 1964 is an important anniversary for social security, according to Harold Whiteside, social security district manager in Joliet. "The 519 people in Will county who are getting social security disability insurance benefits will be especially interested to know that the social security disability insurance program was started exactly 10 years ago," he said.

It was in 1954 that congress amended the Social Security Act to provide for freezing the social security records of workers who become disabled. This "freeze," like the waiver-of-premium clause in an insurance policy, protects the worker's social security credit while he is unable to work, and prevents the reduction or loss of his social security retirement benefits.

"Some 421,000 retired workers are now benefitting from the disability, 'freeze' " Whiteside said. "These are people who, because they could not work and earn social security credit while they were disabled, might well have lost their en-

titlement to social security old-age insurance benefits. Instead, their social security records were stopped as of the month in which they became disabled. This meant that their average yearly earnings were not reduced by those income-less years, and their social security benefits were not reduced when they retired.

Whiteside emphasized, that although the disability "freeze" is now only one part of the overall social security disability program, it has made the development of the whole program considerably smoother than it might have been. "When congress enacted the disability program in 1956," he said, "the 2 years", experience with the disability freeze was invaluable in the administration of the new program.

Anyone who has questions about the social security disability program, or about any other aspect of social security, is welcome to bring them to the social security district office, 225 N. Chicago Street, Joliet, telephone number 727-5101, Extension 5215.

Bruised But Unbowed Joliet Pros To Battle Toledo Next

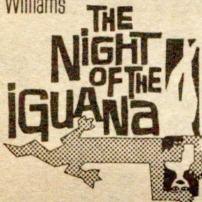

Undisturbed by two pre-season defeats, Head Coach Joseph Petruzzelli feels confident that the Joliet Explorers Professional Football team will be a vastly improved unit by the time the United Football League opens Saturday, Aug. 29 at Charleston, W. Va.

Starts FRIDAY

Comfortably COOL
RIALTO

Most encouraging for the Joliet coach are the statistics, which favored the Explorers last week in their 33-7 loss at Indianapolis.

"We've been together only a month," Petruzzelli explained. "It takes a while to become acquainted with the capacities of each player. On the other hand, we have been playing against veteran clubs that have been together two or three years. In the short time we have been together, I believe we have done real well."

Dean Griffing, general manager of the Explorers, had this to say:

"We hope the fans aren't too disappointed in our two pre-season games to date. As in baseball exhibition games, our purpose is to determine what our new personnel can do under game conditions. We have reasons to be encouraged in spite of two defeats."

Obviously Griffing referred to the leaky pass defense which brought about Joliet's downfall against Grand Rapids. These gaps appeared to be pretty well plugged last week at Indianapolis, but Joliet suffered from costly fumbles, pass interceptions and poor punting even tho the statistics favored the Explorers.

The Joliet squad appeared sluggish at times, apparently from the early morning departure and the long bus ride to Indianapolis. On several occasions too, the Explorers missed first downs deep in enemy territory by inches.

On the brighter side, the

Joliet defense was vastly improved and was superb in rushing two vaunted Indianapolis passers, Bruce Upstill and Ron DiGravio, regarded as two of the best aerial artists in the league. The latter, an All Big Ten selection at Purdue last year was thrown for big losses by the aggressive Joliet defensive line.

Joliet rolled up 286 yards and 14 first downs compared to Indianapolis 182 yards and 14 first downs.

Joliet quarterback hit on only 16 of 37 passes, but it was Dave Harris who tossed 40 yards for the lone Joliet counter.

Diminutive Don Thompson continued to be an exciting runner, altho his yardage was held in check last week by a defense geared to stop his snake-like charges.

"I was real satisfied over the improvement of our defense, particularly for the way we rushed the Indianapolis passers," said Jack Morton defensive specialist. "After all, there's not much we can do about costly mistakes except work harder in an attempt to correct them."

Griffing said that Joliet used several boys who reported to camp only last

166 New Evans Scholars Head For College In Fall

A total of 166 new Evans Scholars will be heading for college classrooms next month, joining 328 upperclassmen to make the largest back-to-school migration in the 34 year history of the famed caddy scholarship program.

week and is of the opinion that they will show great improvement after they have had a chance to work with the team for awhile.

There will be intense practice sessions this week at Joliet Memorial Stadium in preparation for the game with Toledo Saturday night at Toledo.

Toledo has one of the strongest clubs in the United Football League and Joliet could regain some prestige by making a good showing this week-end.

After opening the United Football League campaign at Charleston, W. Va., Saturday, Aug. 29, the Explorers will make its league debut at home Saturday, Sept. 5, at 8 p.m. against Indianapolis.

Season tickets are now on sale at Sears Roebuck & Co. for \$25, \$19 and \$12.60, which includes seven home games.

Making this possible are increased contributions to the Evans Scholars Foundation by golfers thruout the nation, and the fact that two more state golf associations, Colorado and Indiana, have joined the nine previous state or regional groups cooperating in the program.

The total of 494 Evans Scholars will be attending 25 universities from coast to coast and represent nearly 200 country clubs.

The 166 new scholarship winners come from 13 states ranging from New York and Pennsylvania to California, and from Washington and Minnesota to Kansas.

All of the boys spent at least two years caddying at member clubs of the Western Golf Association or the eleven state or regional associations; ranked in the upper 25 per cent of their high school graduating classes, and needed financial aid to further their education.

The total number of former caddies who have benefited from this program since famed amateur golfer Chick Evans of Chicago initiated it in 1930 now surpasses 1,650.

Financial support for the program comes from more than 45,000 golfers across the nation, and from proceeds of the Western Open Championship, recently held for the 61st time at Tam O'Shanter Country Club in the Chicago area.

Prep Grid Teams Begin Drills Aug. 26

Football practice for members of the Illinois High School Association officially gets underway Wednesday, Aug. 26. Some schools will issue equipment and arrange to have players take their required physical exams at an earlier date but under the rules of the association, no school may organize or practice its team before the second Wednesday preceding Labor Day.

Players must have engaged in a minimum of 90 minutes of actual field practice on each of 14 days preceding the first interschool game or scrimmage and no school may play its opening game earlier than Friday, Sept. 18, this year.

These rules were adopted by the members of the Association for the protection of the players and to promote equality in competition among the schools. This fall approximately 500 high schools belonging to the IHSA will participate in football.

25-Lap Feature To Mark Card For Saturday

Henry Pens of Joliet won his second 25 lap feature race at Joliet Memorial Stadium Saturday, Aug. 15. Starting second row pole, Pens drove hard to overtake the leaders and once in front, stretched his lead to half a lap. Ray Elliott of Lockport, working thru the pack

from the rear, finally broke loose and was closing fast, as Pens began lapping the field. A yellow flag on the 21st lap closed the gaps but Pens hung on doggedly to win.

To the most ardent fans, an even more significant victory was scored by a rookie, Bob Richards of Lockport. This 21 year old youngster not only won the trophy dash over the top drivers of U.A. R.A., but set a track record of 1:40:09, topping Elliott's time of 1:40:76.

Richards, who tallied a feature win Aug. 1, appears to be a "natural" and displays a technique usually found only after years of competition. No doubt, his background of five years as go-cart champion prepared him for advanced auto racing.

Large field of cars again made possible a third feature event as a consolation race as record attendance every week is attracting the finest compact sprint racing machines in the country.

RESULTS
FEATURE: Henry Pens, Joliet; Ray Elliott, Lockport; and Bob Richards, Lockport.
SEMI: John Tenny, Battle Creek, Mich., Dick Schamer, Milwaukee, and Sam Eisenhower, Lebanon, Ind.

TROPHY DASH: Bob Richards, Lockport, track record - 1:40:09.

Distaff Golf

BY BIRDIE MCDIVOT
Last week we had a qualifying round to set up new teams for the August match play.

The first groups out will be: Richardson vs Mitchell; Churchill vs Berg; Istel vs Hug; Olson vs Sondergaard.

The July match has given all of us the incentive to try to be August champ.

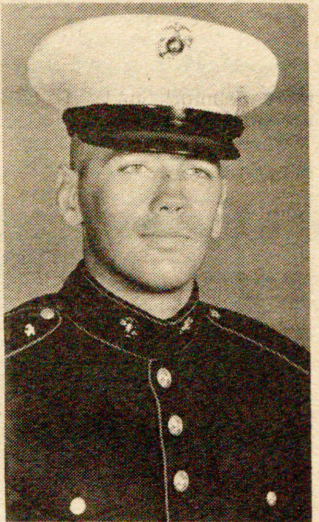

The outcome of last week's play gave Richardson 1st with 36; Istel 2nd with 37; Churchill and Olson 3rd and 4th respectively were the winners of golf balls for the day.

Now that the weatherman has decided to be gracious to us, maybe a few who were escaping the heat will be out to play again.

See you next week?

HEAT WINNERS: 1st, Aaron Willis, Joliet; 2nd, Bill Lode, Chicago; 3rd, Dick Schamer; and 4th, Willy Wilson, Ft. Myers, Fla.

FAST QUALIFIER: Gene Varing, Oak Lawn, 16:55.

MARINE PVT. Thomas J. Barton, son of Mr. and Mrs. John E. Barton of 9827 West 145th pl., Orland Park, is scheduled to graduate Aug. 19 from recruit training at the Marine Corps recruit depot, Parris Island, South Carolina.

Esther Circle Members To Meet At Palos Park

MRS. KNOX
Telephone: FI 9-0211
Members of the Esther Circle will be luncheon guests of Mrs. Marian Homering, 127th st. and 104th ave., Palos Park, at her home, Thursday, Aug. 27 at 10:30 a.m.

Eighty-eight members of the Reish family gathered in the Forest preserve on 143rd st. Sunday, Aug. 16 for their annual reunion. Folks came from Chicago, Detroit, Michigan, Joliet and Orland Park. The folks from Decatur were unable to attend. Dinner was served at noon. Games were played, baseball and badminton.

Mrs. Clarence Kelsey, daughter Claudia and son Joel, and Mrs. Mamie Cooper and her granddaughter, Marianne, attended the music festival in Chicago, Saturday evening.

Mrs. Delia Steinhagen, Mrs. Louise Kramer, her grandson, Harold, son of LeRoy Kramer, Orland, and Mr. and Mrs. Martin Steinhagen and daughter Linda and Mrs. Kate Schasfsma, grandmother, of Midlothian have returned from their vacation at Land O'Lakes, Wis. While there they visited Mrs. Ruth Wanamaker and family, of Tinley Park who are spending the summer at Black Oak resort.

The Doctor family held their reunion Sunday, Aug. 16 in the park in Mokena. 33 members from Orland Park and Mokena were present. A pot-luck dinner was served and also supper. Games were played in the afternoon.

Mr. and Mrs. Wendall Doctor and children vacationed in White Cloud, Mich. Gerald Myrick and family joined them over the week-end.

L-W Exchange Student Returns For A Visit

Edo Campi, of Milan, Italy, who attended Lincoln-Way high school the 1960-61 school year, is back in Mokena for a visit. He is staying with the Edwin Yunker family, LaPorte rd., with whom he resided while a student. His friends here are invited to come to the Yunker home and see him.

Edo is now 21 and is employed by the Sadelmi company, of Milan, a manufacturer of things electrical. The firm occupies a position in Italy like that of General Electric here.

He came back to the United States this month on a two-fold mission. He attended the 50th reunion of the American Field Service, under whose auspices he came to Lincoln-Way as an exchange student, and since then has been visiting various electrical manufacturers for his company. He arrived in New York by plane Aug. 3 and was there until Aug. 7. The Yunkers drove to Detroit last Wednesday to pick him up and got back to Mokena last week-end.

Ronald Yunker, who was at Lincoln-Way with Edo, is now a junior at Elmhurst college, from where a brother,

Duane Paulus, president of the Methodist Youth Fellowship of Orland Park Methodist church, and Paul Zeman are attending the officers workshop at Camp Reynoldswood.

This Thursday, Aug. 20, the IYF council meeting will be held at 8 p.m. in the Methodist church.

John H. Heiting of Norco, California, brother of Harry Heiting of Orland Park, was stricken suddenly at work at the El Camino nursery, Saturday, Aug. 1 and died there. He was working as an accountant.

He was born Dec. 5, 1895 in Chicago.

He was the treasurer of the Norco Chamber of Commerce. He resided in Norco the last 14 years.

Surviving are his wife, Vivian, 3 sons, Robert of Riverside, John Jr. and James of Norco, a daughter Eleanor Kingdon of Lake Tahoe, 3 brothers, Harry of Orland, Larry and George of Chicago and a sister, Elsie Garrett of Chicago. Requiem Mass was celebrated at St. Edwards church Wednesday, Aug. 5 at 9 a.m. Interment in Crestlawn Memorial Park.

The Ladies Aid of Christ Lutheran church have planned to conduct their rummage sale on the 21st of October from 7 to 9 p.m. and the 22nd of October from 9 a.m. to 12 noon. Sale to be held in the church school building.

Debra, daughter of Mr. and Mrs. Mike Chiappetti, celebrated her 8th birthday Sunday, Aug. 16 with a party for eight of her friends.

Mrs. Clarence Kelsey, daughter Claudia and son Joel spent a week visiting friends and relatives in Marinett, Wisconsin. The weather

er was cold so they could not go swimming.

Calls the fire department responded to last week-Monday nite call for inhalator for Mrs. Helen Kuehne of 7920 139th St. The rescue squad took her to St. Francis hospital.

Thursday afternoon - two-car accident at 144th & Route 45. A. S. Olson and H. W. Walker of Minnesota were taken to Christ Community hospital, by rescue squad.

About 3:30 Sunday morning a call for a house on fire at 153rd and West Ave. but proved false.

Mrs. Ernest (Violet) Vogt of Allegon, Mich. spent a few days visiting relatives and friends in Orland Park. The Vogts are former residents of Orland. Their son George and family reside in Allegon, Mich.

Raymond J. Richard, 19, son of Mr. and Mrs. Richard of 14430 Raney's lane, has begun basic training at the naval training center, Great Lakes, Ill.

Social Security Expert Tells How Freeze Program Protects

The year 1964 is an important anniversary for social security, according to Harold Whiteside, social security district manager in Joliet. "The 519 people in Will county who are getting social security disability insurance benefits will be especially interested to know that the social security disability insurance program was started exactly 10 years ago," he said.

It was in 1954 that congress amended the Social Security Act to provide for freezing the social security records of workers who become disabled. This "freeze," like the waive-of-premium clause in an insurance policy, protects the worker's social security credit while he is unable to work, and prevents the reduction or loss of his social security retirement benefits.

"Some 421,000 retired

workers are now benefitting from the disability 'freeze,'" Whiteside said. "These are people who, because they could not work and earn social security credit while they were disabled, might well have lost their entitlement to social security old-age insurance benefits. Instead, their social security records were stopped as of the month in which they became disabled. This meant that their average yearly earnings were not reduced by those incomeless years, and their social security benefits were not reduced when they retired."

Whiteside emphasized that, altho the disability "freeze" is now only one part of the overall social security disability program, it has made the development of the whole program considerably smoother than it might have been. "When congress enacted the disability

program in 1956," he said, "the 2 years' experience with the disability freeze was invaluable in the administration of the new program."

Anyone who has questions about the social security disability program, or about any other aspect of social security, is welcome to bring them to the social security district office, 225 N. Chicago Street, Joliet, telephone number 727-5101, Extension 5215.

ORDINANCE NO. 486

ANNUAL APPROPRIATIONS ORDINANCE OF THE VILLAGE OF MOKENA, WILL COUNTY, STATE OF ILLINOIS, FOR THE FISCAL YEAR BEGINNING ON THE 1st DAY OF JULY, A.D., 1964, AND ENDING ON THE 30th DAY OF JUNE, A.D., 1965.

BE IT ORDAINED BY THE PRESIDENT AND VILLAGE BOARD OF TRUSTEES OF THE VILLAGE OF MOKENA, WILL COUNTY, ILLINOIS:

SECTION 1. That for the purpose of defraying the necessary expenses and liabilities including bonds and interests thereon of the Village of Mokena for the fiscal year commencing on the 1st day of July, A.D., 1964, and ending on the 30th day of June, A.D., 1965, the following sums or so much thereof as by law may be authorized be and the same are hereby set aside and appropriated for the following purposes which table following also shows what portion of said appropriation is to be raised by taxation and which portion is to be defrayed from other sources or previously levied.

SECTION 2. That the amounts hereinafter set forth or so much thereof as may be authorized by law as may be needed, be and the same are hereby appropriated for General Corporate Purposes, Payment of Bonds and Interest on Bonds, Public Benefit Fund and Waterworks and Sewerage Expenses, Civil Defense Fund and such other purposes as are hereinafter specifically described, for the fiscal year of said Village of Mokena, Will County, Illinois, beginning July 1, 1964, and ending June 30, 1965, and for such payments of Bonds and Interest as may mature prior to the actual collection of taxes, all as more specifically set forth in bond and interest items as hereinafter enumerated.

SECTION 3. That the amounts appropriated for each object or purpose appears in a column under the words "Amount Appropriated". The amounts appropriated are totaled for each subdivision as the total for that subdivision. The amount of the appropriated expense that is to be raised from other sources: General Licenses, Permits, Fines, Fees, Water Revenue, Sales Tax and Interdepartmental transfers; or previously levied for those portions of each item for which no 1964 levy is to be made, are entered as a separate item under the total for each subdivision. The amounts of the appropriated expense for each subdivision that is "To Be Raised By Taxation" appears in column with the words, "To Be Raised By Taxation."

SECTION 4: The appropriation herein made for salaries and wages of the employees and officers of the Village of Mokena shall not be considered as contracts or commitments; but shall only be regarded as maximum amounts to be expended under such respective appropriation accounts. (The salaries or wages to be paid shall be as established by duly enacted salary ordinances).

Expenditures under such accounts shall be further limited to employment of personnel only as needed, or as may be required, under the titles of positions specified at not to exceed the specified maximum number to be employed, and the salary or wage rate fixed therein.

No officer or employee shall have the right to demand continuous employment and compensation by reason of the appropriation if it becomes necessary, on account of lack of work or lack of funds, to reduce personnel. In case of any vacancy in any office or position herein appropriated for, the Village President shall not be required to fill such office or position if, in his judgment and discretion, there is no necessity therefor.

Republican Women Plan Luncheon

The executive committee of the Will county Republican committeewomen held a meeting at Mrs. Alan Freeburg's home in Joliet last Tuesday evening, Aug. 11. Mrs. Freeburg, Will county Republican chairwoman, presided. Plans were discussed for a combination luncheon and business meeting for September. Mrs. La Verne Cronholm, Lockport township, will be in charge of table decorations; Miss Jean Kaiser, Joliet township, invitations; Mrs. Joan De Muth, Monee township, publicity; Mrs. Sylvia Neitzel, Crete township, and Mrs. Thelma Shank, Custer township, welcoming committee; and Mrs. Freeburg together with Mrs. Jay Van Buren, Homer Township, will handle all other arrangements. Mrs. Freeburg asked Mrs. De Muth and Mrs. Neitzel to work on new ideas in compiling a precinct workers handbook. It is hoped that these booklets will be ready for the September meeting.

New Lenox

Garden Club Plans Annual Flower Show

MRS. DELORES ANDERSON
Telephone: 485-3651

The New Lenox Garden Club held its August meeting at the home of Mrs. Robert Regan, Regan road.

Program for the day was a workshop for the market for the up and coming flower show. Co-hostesses were Mrs. Walter Houchin and Mrs. G. R. Elwood.

The president, Mrs. George Morrison, announced the following chairman for the fall flower show "Y' All Come" to be held at the Francis 4-H field Tuesday and Wednesday Sept. 15 and 16.

General chairman of the show, Mrs. George Morrison; co-chairman, Mrs. Kenneth Messenger; tea table, Mrs. Gregg Campbell; plant, fruit and flower guild, Mrs. Grace Sweet; market chairman, Mrs. Walter Houchin and Mrs. Thorval Larsen; judges Mrs. Lloyd Cleveland; Judges luncheon, Mrs. Norman Grund; outdoor chairman, Mrs. Lawrence Carlson; publicity, Mrs. Robert Buckler; table settings, Mrs. Ben Martin; conservation chairman, Mrs. Leon Frey; triptychs chairman, Mrs. Lloyd Cleveland; tickets, Mrs. Grace Sweet; placing chairman Mrs. A. D. Miller and entry chairman, Mrs. Leon Frey.

The public is urged to make entries in the flower show. Anyone desiring a schedule may call Mrs. Morrison, 485-8681.

Mrs. S. A. Sherry of Viroqua, Wis. is visiting here with her daughter and son in law, Mr. and Mrs. O. C. Davis and family.

Mr. and Mrs. Stanley Cheney and family of Indianapolis, Indiana visited here last week - end with the Robert Cheney family.

The Home-Art club will meet for a picnic in place of their regular meeting, at Pilcher Park, Wednesday, August 19 at noon.

Mr. and Mrs. Al Warlick and children, and Mr. and Mrs. Len Anderson and Dotte spent last week-end on Lake Koshkenong, near Fort Atkinson, Wis. on a camping and boating trip.

Mrs. Nancy Techman is handling the sale and exchange of used St. Judes school uniforms. Anyone who has uniforms in usable condition is asked to contact Mrs. Techman at 485-3761.

Mrs. Grace Mitchell, chairman in charge of the Thrift Shop at Trinity Lutheran church parsonage, North Cedar road, announces that the shop is now open every Friday from 10 a.m. until 4 p.m.

Jon Davis, son of Mr. and Mrs. O. C. Davis is spending this month at Chandler Baseball camp in Chandler, Okla. where he is intraining, playing ball every day.

Miss Dotte Anderson served as maid of honor Saturday afternoon at the wedding of Miss Judy Hagerman and Ronald Zitzel in Chicago Heights. She attended the rehearsal, and dinner following, Friday night at the Tivoli in Chicago Heights.

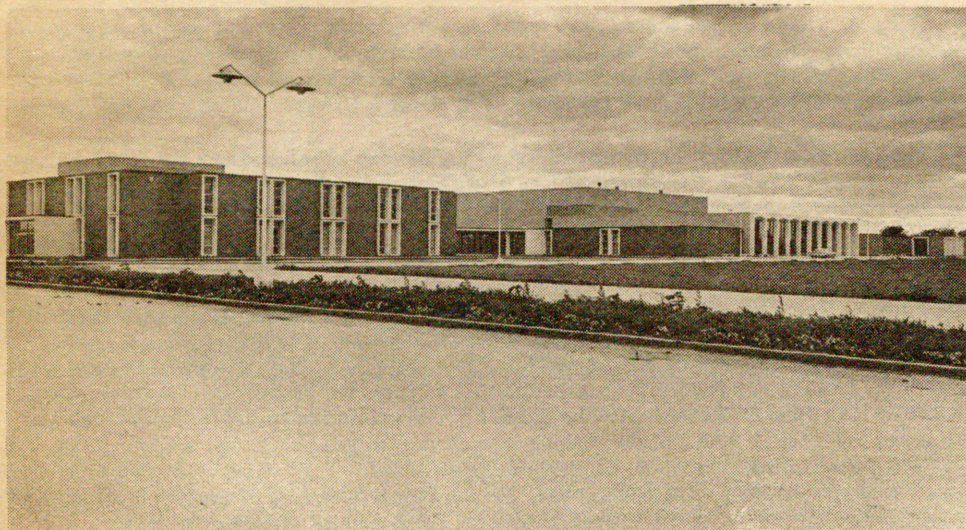

Toby Davis returned home Tuesday from summer school at Purdue university in LaFayette, Ind. His friend and room - mate, Kadiera Matek from Istanbul, Turkey, a lieutenant in the Turkish airforce, returned home with him for a visit until school starts.

Mrs. Robert Gleason returned home Thursday from Silver Cross hospital where she was a surgical patient for several weeks.

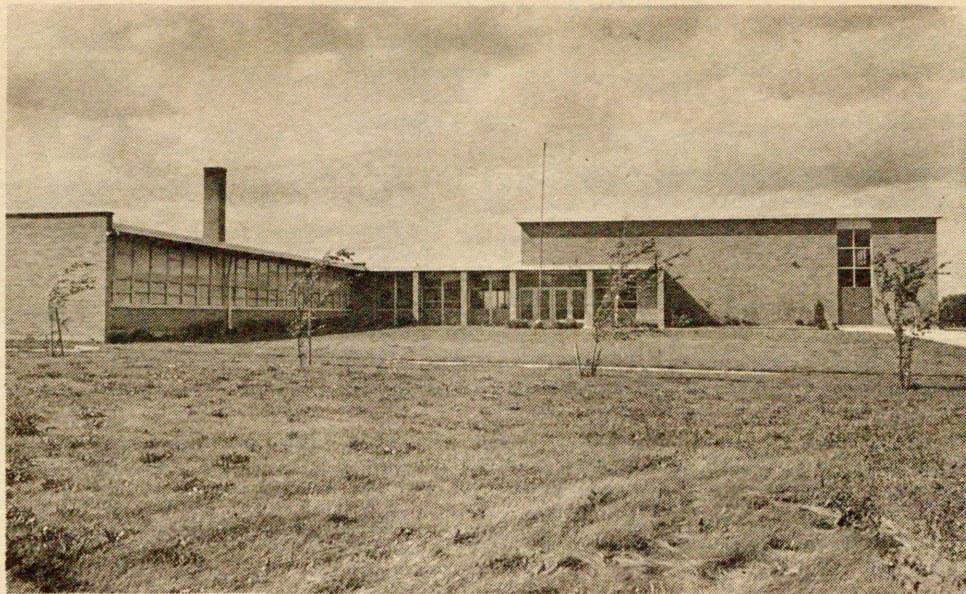

Boy Scout troop 49 will meet Wednesday, August 26 at 7 p.m. The Flaming Arrows will have the opening, games by the Owls, and closing by the Panther patrol. Clean up will be by the Rattlesnakes patrol.

COUNTY PERMITS
County building permits were issued for two garages in Orland township, 8621 167th place, and 17121 Ozark ave. Both have Tinley Park mailing addresses.

ALONZO STAGG high school will open its doors to all freshmen students in Dist. 230 that reside north of Route 83 on Sept. 8. Until now Carl Sandburg high school, north of Orland Park, has served the entire district. Now it will share the load with Alonzo Stagg. The new school is on 111th st., and Roberts rd. It cost \$2-million. Workmen are still taking care of details but expect to have everything completed when school opens. (Graphic Newspapers photo)

NEW ADDITION to Willow Crest grade school at Mokena is to be formally dedicated Aug. 30 and all area residents are invited to attend the program which will begin at 2 o'clock that afternoon. (Graphic Newspapers photo)

Gary Andreson Wins 4-H Plowing Contest

Gary Andresen, Orland Park, of the Orland Boys club, was Grand Champion of the 18th annual South Cook County 4-H plowing contest Aug. 8 on the Len Dober Farm near Tinley Park.

Andresen, grand champion two years ago and runner-up last year, was given stiff competition by Don Bettenhausen, Tinley Park, with a

score of 95 points, and Douglas Erickson, Mokena, with a score of 94 points. Andresen led with 96 points out of a possible 100 points. The contest included complete trash coverage, furrow uniformity, and required that the ends of the land be plowed even and to full depth.

Edward Koehne, of the Orland Boys Club, for the second year was Grand Champion in the Tractor Operator Contest. He was required to maneuver the tractor swiftly through three pre-designed courses, and to back a four-wheeled wa-

gon out of one shed and into another shed within six minutes. He accomplished the feat in 1-1/2 minutes.

The committee in charge of the two contests included Lloyd Brandau, chairman,

Tinley Park; Erwin Engelhardt, Tinley Park; Milton Bettenhausen, Orland Park; John Thompson, Park Forest; and Mrs. Marvin Cooper, food chairman, Orland Park.

Sends Out Notices Of 1964 Wheat Allotments

Will county wheat farmers are being notified of the 1965 allotments, normal yields, and payment rates established for the 1965 wheat program. Roy M. Smith, chairman of the Will ASCS committee, said that the allotments and yields are about the same as those in effect for 1964, and will be used as a basis for computing payments for farms which take part in the 1965 voluntary wheat program.

To be eligible for program benefits, 11.11% of the wheat allotment acreage must be diverted to conserving use and intention to participate must be filed by the farm operator during the sign-up period, Aug. 24 thru Oct. 2, 1964. These and other details of the program are explained in a leaflet included with each allotment notice.

Mr. Smith reminds farmers that the wheat law provides an opportunity for producers to appeal the determination of the allotment notice, if it appears there has been an error, or there is dissatisfaction with any determinations for the farm. Included with other appeals can be one to have the farm normal yield based on actual production of wheat during 1959-1963 period. Evidence of production must be furnished for each of the five

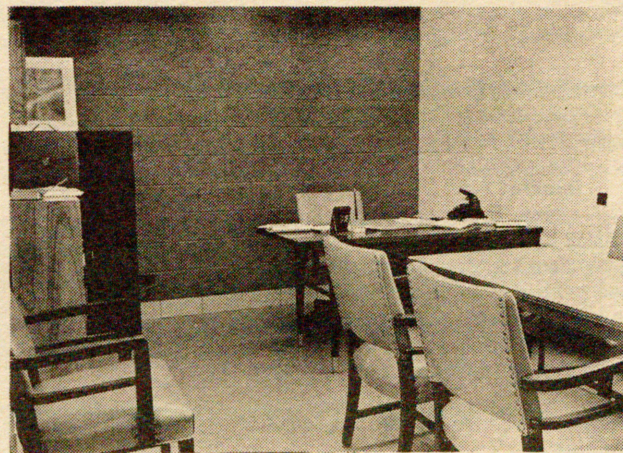

years. Appeals must be filed within 15 days of the date of the notice.

Other details of the 1965 wheat program may be obtained at the Will County ASCS Office, 1256 W. Jefferson St., Joliet.

Will County GOP Workshop To Get Charter

The Republican Workshops of Will county's steering committee held a meeting at the Allan H. De Muth home in Monee, Thursday, August 13th. Plans were made for a second organizational meeting to consider by-laws and the election of permanent officers, on Tuesday, Aug. 25. This meeting will be held at Mrs. Nora Rink's home at 38 Chestnut st., Monee, at 8 p.m.

Cliff Raber of Hinsdale, president of Republican Workshops of Illinois, Inc. will be present to give the Will county group its official charter. Thomas Feehan, chairman of the Will county republican central committee will address the group. Refreshments are being planned for the social part of the meeting.

ADMINISTRATION HEADQUARTERS in the new addition to Willow Crest grade school at Mokena. This is the office of Supt. James Ennis. This is where the board of education meets and sets the policies that are carried out by the superintendent. (Graphic Newspapers photo)

LIBRARY IN NEW addition to Willow Crest school, Mokena, provides all the references needed to aid grade school students in their work. (Graphic Newspapers photo)

TAXPAYER IRKED

Dear Sir:

I had just about made up my mind to write this letter a while ago but decided against it as the damage to some of the beauty here in Lincoln Estates had already been done. Beautiful trees cut down and burned to nothing but a few piles of ashes. Then the mailman came with the paper and I read about the cost of the new 80th ave. and I was just about sick about it. The township highway commissioner is quoted as saying the cost would be approximately \$28,000. If it is true that 80th ave. is to remain a dead end street at the railroad track as the people have been told it will, I think that is an awful price to pay for about four blocks of street. When the rest of the residents here ask for repairs to our streets, they are told that the township doesn't have any money. There are other streets here that are virtually impassible because of deep holes when the wet weather comes in the spring.

Last April we elected two committeemen to represent us, but where are they? I was told that the job of a committeeman was to keep the citizens of his village or ward informed of all important happenings. Why weren't we informed of the widening of this street before it started? Why has the community meeting held after the project was well underway, instead of before? The biggest question is "Where were the committeemen the night of the meeting?" They let George Tate, the township supervisor make all the explanations and take all the blame, but they, the committeemen, don't even show up to support him.

I think the committeemen that we so trustingly supported at the polls last April should give us some answers or explanations, or else don't bother to put your names on the ballot in 1966.

Sincerely,
An Angry
Disgusted Taxpayer

Green Garden

Bridal Showers For Four

MRS. KATHARINE HEISNER
Telephone: 469-5187

The Green Garden Snip "N" Snack Club entertained for four of their members at a bridal shower in the town hall last Saturday afternoon.

Honored guests were: Miss Sharon Homering, Miss Janet Johnson, Mrs. E. Weiser (the former Evelyn Diment) and Mrs. Albert Brock, (the former Ruth Ann Rainford).

Each received an individual gift from the club, various games were played and duplicate prizes awarded, lunch was also served.

The WSCS of the Green Garden Methodist church met in the church parlors last Wednesday for a potluck picnic dinner at noon. Later a meeting was held and the annual bazaar booth was planned and discussed. Each year the ladies have a booth at the Peotone Fair which will be held this year from Aug. 27 thru 30.

Mr. and Mrs. Everett Heatherwick and sons spent last week vacationing at Bass Lake, Ind.

Relatives that were dinner guests on Monday of Mr. and Mrs. William Rahm were Mr. and Mrs. Donald Armbrust and family of Fairmount, Minn. and Mrs. Evan Leuts of Lockport.

About 40 relatives gathered at the home of Mr. and Mrs. William Rahm Sunday, in honor of Mrs. Rahm's birthday, for a 5 o'clock supper.

Guests from Frankfort were Mr. and Mrs. Franklin Christiansen and son Roger, Mr. and Mrs. Sherril Rahm and family, Mr. and Mrs. Art Marti and Miss Carol Ropes of Tinley Park.

Other relatives from out-of-town were from Joliet, Peotone, Mokena and Wilmington.

Broken Water Main And Sewer Dig Deep Hole

A break in a water main and a sewer tile at Sauk Trail and Center road, in Frankfort, has combined to create a situation that will take men and equipment to remedy.

When the water main broke it began to eat away the earth and fill. The water main has been repaired but at the time that break was discovered it was not known that a sewer tile was broken also. Both breaks caused considerable displacement of earth and a large hole was eaten into the ground and some of the black topping of the street has been swallowed.

It will require digging down approximately 11 feet to reach the source of trouble and care will have to be taken to avoid a possible cave-in while someone is working in the hole. The board hopes to have a crew at work before the week-end.

Open House At Willow Crest Dedication

The recent Willow Crest school addition at Mokena will be dedicated Sunday, Aug. 30 at 2 p.m. A special open house will be held and the public is invited to attend and tour the beautiful new rooms.

Four new classrooms are being readied for the fall term. New restroom facilities have been added and a central library is just about ready for use.

Special interest has been given to the library. Miss Lurene Brown, a library science major at Northern Illinois university has been working all summer cataloging the books. She has been assisted by Coleman Rogers and volunteer help from the girl scouts and Mokena Book Club. The future Mokena students will have many fine library experi-

ences. All students will be taught how to properly use a library when studying or for just reading pleasure. The library will soon be available for anyone in the district. It is hoped that volunteer help on a scheduled basis will make it possible for the library to be open one or two nights a week.

The addition includes new office space, a small health room, and a large multi-purpose room. The multi-purpose room provides excellent space for a physical education program; a stage for plays, films and special programs; lunch room space; and shower rooms for athletic contests. A kitchen has been built for a future hot lunch program.

Refreshments will be served by the PTA at the open house.

The Working Classes

J. A. WARD

During these fast changing times, new industries
are developing almost unnoticed, until seemingly over-
night many of us find ourselves working for or want-
ing to join forces with one of these new industries.
It's rather difficult for us as individuals to keep
abreast of future new industries. Recently, the Chicago
Association of Commerce and Industry published a list
of seven future industries which they feel can con-
tribute to the growth of the industrial economy of the
Metropolitan Chicago area.

THESE NEW INDUSTRIES ARE -- 1) BIOMEDICAL
ENGINEERING 2) VACUUM TECHNOLOGY 3) EN-
GINEERED MATERIALS 4) OCEANOGRAPHY 5)
SPACE SIMULATION 6) ELECTRONIC METALWORK-
ING 7) WASTE PRODUCT CONTROL AND UTILIZA-
TION.

The first of these "new" industries, Biomedical
Engineering, is the application of engineering techni-
ques and knowledge of the problems of the biological
and medical fields. Government expenditure alone in
this field exceeds \$1,000,000,000 annually, while pri-
vate industry spends in excess of \$300,000,000 each
year in medical and health related research. Future
developments in this field can be classified under
instrumentation, prosthetic devices and artificial or-
gans, and utilization of computers for medical and
biological studies.

The second new future industry, Vacuum Technol-
ogy is rapidly emerging from the laboratory to be-
come an essential aspect of manufacturing process-
es that require controlled environments. Freeze dry-
ing of foods is one phase of vacuum technology that
offers great growth potential during the next few
years. This is a process whereby the water in the
form of ice crystals is removed by a vacuum from
an item that has already been quick frozen. The
product is claimed to have a better color, flavor
and texture than conventionally frozen or canned foods
and does not require refrigeration. Frozen dried
foods were a \$15,000,000 market in 1963 and is ex-
pected to rise somewhere under \$2,000,000,000 an-
nual market by 1970.

The third new future industry "Engineered Mat-
erials" is another field of coming importance. This
is a process where the molecular, crystalline, atomic,
and subatomic structures are altered or controlled
to produce the exact properties best suited for a given
application. This industry is developing as a re-
sult of the space program. Extensive space simulation
tests must be carried out on all materials new and old
to determine their reaction under simulated space
conditions. Under these conditions of high ultra vac-
uum for example, conventional lubricants lose their
lubricating qualities. Some metals evaporate and con-
dense on surrounding objects and some plastic mat-
erials lose their strength.

These and many more yet to be developed future
industries assure a high level of job opportunities dur-
ing the next decade, along with an ever increasing
need for higher technical skills among all classes of
workers.

Wish I'd Said THAT

"The nicest thing about an egoist—he never goes around talking about other people."
—John Maverick, Cherryvale (Kan.) Republican.

"The person who has everything should be quarantined."
—Lee Call, Afton (Wyo.) Star Valley Independent.

"A fixed opinion merely means that the gate, open to allow a thought in, has slammed shut."
—Douglas Meador, Matador (Tex.) Tribune.

"A hobby is something you go goofy over to keep from going nuts."
—Freida J. Monger, Duluth (Minn.) Publicity.

"The 20th century liberalism (so-called) in the United States thrives on depression. Being political, its base is political action, including a wide variety of federal paternalism."
—Julian Starr, Jr., Chester (S.C.) Reporter.

More and more American travelers who have less money than time are discovering that they can enjoy the comforts of luxury cruises in modified style by taking to the high seas aboard wandering freighters known as tramp ships . . . Some 2,000 of them ply the seas today, much as they did in Greek and Roman times . . . The modern ships carry up to 12 passengers in spacious, air-conditioned staterooms, some of which have adjoining sitting rooms, private bathrooms and picture windows instead of portholes . . . Time for sport is on the itinerary of certain ships with facilities for shuffleboard, deck tennis and swimming pools . . . Food usually depends on the ship's nationality . . . For instance, Scandinavian ships take smorgasbord for granted which includes roast pigeons in cream, crabmeat and smoked eel . . .

The average newspaper contains 150,000 words or more of information — the daily equivalent of two novels . . . The British are the most avid newspaper readers in the world . . . One copy of a daily British newspaper is printed for every two Englishmen . . . In West Germany, the comparable figure is one newspaper for every two-and-a-half people . . . In the United States one paper is printed for every three Americans . . . And, one out of every four Frenchmen has a newspaper printed for him . . .

It has been said that the biography of a successful American businessman goes something like this, "I was born in the country, where I worked like a horse so I could live in the city where I worked like a horse so I could live in the country" . . . The period at the end of this sentence weighs .000000035 of an ounce, according to scientists working in an atomic laboratory.

The Old Timer

"Two great talkers will never travel too far together."

Nazarene Teens Visit Indian Reservation

Six teen-agers and their sponsors from the Tinley Park Church of the Nazarene recently returned from a missionary trip to the Ponca Indian reservation, three miles south of Ponca City, Okla.

The six teen-agers; Jennifer Edwards, Kim Helliwell, Linda Kirby, Marilyn Meissner, Linda Padgett,

George Waldrop, and the sponsors Mr. and Mrs. Dan Caringer and Mr. and Mrs. Ralph Close rated the trip as one of the greatest experiences.

The group directed and taught a daily vacation Bible school for the Indian children on the reservation and then participated in a youth week service each evening

for the teens of the Ponca Indians.

English and Sons, local Ford agency, loaned the Nazarene church a new station wagon to use on the trip and Close's father granted the use of a new pick-up truck to carry the camping equipment.

GIVEN INDIAN NAMES

Friday morning, before the group began their last day of missionary work, the Indians gave them names in an impressive ceremony. Some of the names were: George Waldrop, fire-shaker (the group changed the name to flame thrower), Ralph Close, singing bird; and Dan Caringer, able leader.

The daily schedule began with rising at 5:30 a.m. and "working until you were too tired to do more" and then a service and youth activity until as late as 11 o'clock each night.

The Indians built a tepee for George Waldrop and Kim Helliwell to sleep in, but forgot to teach them how to move the flaps on the top. One morning at 3 a.m. George and Kim were awakened by water pouring in on them. They tried frantically to shut out the rain, but had to give up and dash for a shed.

All the teens agreed that they gained much more than they contributed to the Indians.

Merrilyn Meissner was given a picture of Christ, drawn by one of the Indian teenagers of the reservation. Merrilyn taught in the kindergarten department of the DVBS and concluded that the Indian parents could use more discipline on their children. "I am personally enriched for having gone and I will never forget the Indian singing," she said.

SPIRITUAL UPLIFT

Kim Helliwell felt that the entire experience "was a spiritual uplift". Gordon

YOUTHFUL MISSIONARIES - This group of teens from the Tinley Park Church of the Nazarene, and their sponsors, directed and taught a daily vacation Bible school at the Ponca Indian reservation, Ponca City, Okla. Left to right - (kneeling) Kim Helliwell, Linda Kirby and sponsors Mrs. Dan Caringer, Mrs. Ralph Close. Second row - Linda Padgett, Merrilyn Meissner, Jennifer Edwards, George Waldrop; in Indian bonnet is sponsor Dan Caringer; Ralph Close, sponsor. The group is standing before a teepee that was constructed by the Indians.

Helliwell, Kim's father, stated later, "nothing has effected my son like this trip to Ponca City. It would have been worth any amount of money to send him."

George Waldrop, popular among the Indians, had charge of the sports. George played on the Carl Sandburg freshman football team last year. George reported: "I expected to see them sitting on blankets in front of teepees, but they live in houses -- a bit run down. I particularly enjoyed the preaching of the young Indian, Maynard Henman. He was good!"

Linda Kirby was named after the tribe, indicating the Indians' love for her. She gave a glowing report, "I was greatly moved toward God by this experience."

Jennifer Edwards, known as sunshine to the Indians, claimed "It was a wonderful experience. I will cherish the souvenirs and memories of this trip, forever. It is great to share with Christ in working with other people, different than yourself."

Linda Padgett was dubbed the "new moon". She energetically worked at many things and felt the same as

the others. Linda was the youngest member of the teens on the trip.

Rev. Dallas D. Mucci, pastor of Tinley Park Nazarene, commented: "This participation of the teen-agers in the 'real work' of life is not only an answer to delinquency, but a healthy start toward useful citizenship. The church will continue to offer opportunities in this, and other areas, for Christian teens."

Know Your Expressways, Motorists Are Advised

Whether you will be taking a long motoring vacation this summer or a series of short weekend hops, chances are you will be doing at least part of your driving on interstate or expressway-type highways.

The Chicago Motor Club points out that while these expressways have been designed to be far safer and easier to drive than conventional roadways, the high speed, limited access highways definitely require different driving techniques. The motor club offers these tips for proper expressway driving:

1. Thoroughly know your intended expressway route BEFORE you enter the expressway lanes. Once you are on the freeway, it can

be very dangerous to yourself and other motorists if you become confused and uncertain about where you want to leave the expressway.

2. Always enter a freeway as close as possible to normal expressway speeds.

3. Keep a proper distance between your car and the one ahead. Following too closely, especially at expressway speeds, is very dangerous.

4. Change lanes as little as possible on expressways. When you do have to make a lane change, check traffic behind and all around you and then signal your intentions in advance.

5. Avoid all sudden movements on expressways. At high speeds, sudden swerving to make an exit or sudden slowing down can be disastrous.

6. Watch several cars ahead -- not just the one directly in front of you. If a car even three or four cars ahead of you makes a sudden maneuver, you can be affected in seconds.

7. Keep your car going at normal expressway speeds. On an expressway, a slowpoke can be just as hazardous, or more so, than a speeder. For this reason many expressways and interstate highways now have posted minimum speed limits as well as maximum limits.

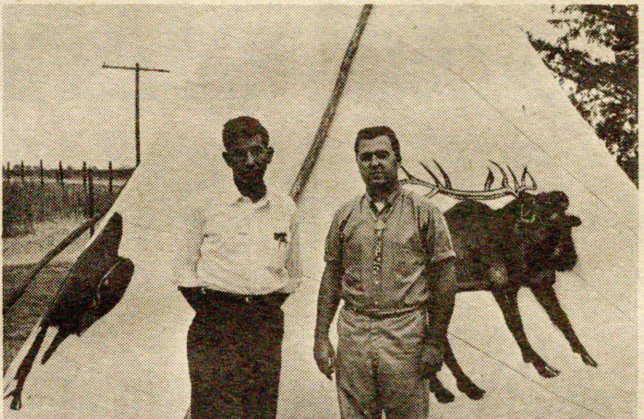

8. Remember that although expressway driving looks effortless compared to many conventional highways, long, uninterrupted driving stints on expressways can be more tiring and dulling to the senses than you realize.

DVBS CLASS - Indian youngsters eagerly listen and observe during an object lesson conducted as part of their daily vacation Bible school class.

INDIAN CHURCH - This small building serves as the home of the Ponca Indian's Church of the Nazarene.

INDIAN PASTOR - (left) Maynard Henman, a young Indian preacher, serves as pastor of the Ponca Nazarene church. The visiting teens enjoyed hearing him preach. Pictured with the pastor is Ralph Close, group sponsor, who also is a member of the board of education of school district 146.

OUTDOOR WORSHIP - This crude shelter with its rough hewn pews housed classes for the daily vacation Bible school in addition to serving as the church building for outdoor worship services.

YOUR CAR WILL NEVER BE WORTH MORE-trade it today!

The secret of our success is fast turnover... the lowest prices, easiest credit terms and highest trade-in allowances. We're even out-trading ourselves. Come in today and be thrilled.
